We are sending this Proxy Statement, the enclosed proxy card and the Annual Report on Form 10-K for the fiscal year ended December 31, 2017 on or about April 17, 2018, to our shareholders of record as of the close of business on April 12, 2018. References in this Proxy Statement to “Potbelly,” the “Company,” “we,” “us,” “our” and similar terms refer to Potbelly Corporation.

Holders of our common stock at the close of business on April 12, 2018 will be entitled to vote at the Annual Meeting. As of April 12, 2018, 25,389,675 shares of our common stock, \$0.01 par value per share, were outstanding and each was entitled to one vote. Shareholders are entitled to one vote for each share of common stock held. A majority of these shares present in person or represented by proxy at the Annual Meeting will constitute a quorum for the transaction of business.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Important notice regarding the availability of proxy materials for the Annual Meeting

The Notice of Annual Meeting of Shareholders, this Proxy Statement, the enclosed proxy card and our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 are available online at www.stockholderdocs.com/PBPB.

Why am I receiving these materials?

Our Board of Directors is soliciting proxies in connection with the Annual Meeting. On or about April 17, 2018, we expect to begin mailing these proxy materials to shareholders of record as of the close of business on April 12, 2018, the record date. On the record date, there were 25,389,675 shares of our common stock outstanding.

You are receiving this Proxy Statement as a shareholder of the Company. We request that you promptly use the enclosed proxy card to vote, by telephone, Internet, or mail, in the event you desire to express your support of or opposition to the proposals.

THE BOARD UNANIMOUSLY RECOMMENDS VOTING “**FOR**” THE ELECTION OF EACH OF THE BOARD’S NOMINEES UNDER PROPOSAL 1 AND “**FOR**” PROPOSALS 2 AND 3 USING THE ENCLOSED PROXY CARD.

Where and when is the Annual Meeting?

We will hold the Annual Meeting on May 24, 2018, at 8:00 am, Central Time, at the Westin O’Hare Hotel, 6100 N. River Road, Rosemont, Illinois 60018.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

What am I being asked to vote on at the Annual Meeting?

We are asking our shareholders to consider the following proposals at the Annual Meeting:

- **Proposal 1:** the election of ten directors to serve for a term of one year or until their successors are duly elected or appointed and qualified.
- **Proposal 2:** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2018.
- **Proposal 3:** the approval of the Amended and Restated Potbelly Corporation 2013 Long-Term Incentive Plan.
- **Proposal 4:** any other business properly introduced at the Annual Meeting.

Who is soliciting my vote?

In this Proxy Statement, the Board is soliciting your vote at the Annual Meeting.

How does the Board recommend that I vote?

The Board unanimously recommends that you vote by proxy using the proxy card as follows:

- **“FOR”** the election of all ten director nominees set forth on the proxy card;
- **“FOR”** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2018; and
- **“FOR”** the approval of the Amended and Restated Potbelly Corporation 2013 Long-Term Incentive Plan.

Why is the Board recommending a “FOR” vote for Proposals 1, 2 and 3?

We describe all proposals and the Board’s reasons for supporting each of them in detail beginning on page 18 of this Proxy Statement.

Who can vote?

Holders of our common stock at the close of business on April 12, 2018, the record date, may vote at the Annual Meeting.

As of April 12, 2018, there were 25,389,675 shares of our common stock outstanding. Each share is entitled to one vote.

How many votes do I have?

You have one vote for each share of our common stock that you owned at the close of business on the record date. These shares include share held by you as a “shareholder of record” and as a “beneficial owner.”

What is the difference between holding shares as a “shareholder of record” and as a “beneficial owner”?

If your shares are registered directly in your name with our transfer agent, you are considered the “shareholder of record” with respect to those shares. We have sent these proxy materials directly to you.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of the shares held in street name. Your broker, bank or other nominee who is considered the shareholder of record with respect to those shares has forwarded these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting by telephone or the Internet.

How can I vote my shares?

You can vote by proxy or in person at the Annual Meeting.

What is a proxy?

It is your legal designation of another person to vote the shares you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated two of our officers as proxies for the Annual Meeting. These officers are Alan Johnson and Matthew Revord.

How you can vote

Shareholders of Record. Shareholders of record may vote their shares or submit a proxy to have their shares voted by one of the following methods:

- **By Internet** - You may submit your proxy online via the Internet by following the instructions provided on the enclosed proxy card. Internet voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 23, 2018.
- **By Telephone** - You may submit your proxy by touch-tone telephone by calling the toll-free number on the enclosed proxy card. Telephone voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 23, 2018.
- **By Mail** - You may submit your proxy by completing, signing and dating your proxy card and returning it in the reply envelope included with these proxy materials.
- **In Person** - You may attend the Annual Meeting and vote in person by completing a ballot. Attending the Annual Meeting without completing a ballot will not count as a vote. If you choose to vote in person, you must bring proof of identification and your notice or proxy card showing your control number to the Annual Meeting. You are encouraged to complete, sign and date the proxy card and mail it in the enclosed postage pre-paid envelope regardless of whether or not you plan to attend the Annual Meeting.

Beneficial Owners. If you are the beneficial owner of your shares (that is, you hold your shares in "street name" through an intermediary such as a broker, bank or other nominee), you will receive instructions from your bank, broker or other nominee.

Your bank, broker or other nominee will not vote your shares on any matters unless you provide them instructions on how to vote your shares. You should instruct your bank, broker or other nominee how to vote your shares by following the directions provided by your bank, broker or other nominee. Alternatively, you may obtain a "legal proxy" from your bank, broker or other nominee and bring it with you to hand in with a ballot in order to be able to vote your shares at the Annual Meeting. If you choose to vote at the meeting, you must bring the following: (i) proof of identification, (ii) an account statement or letter from the bank, broker or other nominee indicating that you are the beneficial owner of the shares and (iii) a signed proxy from the shareholder of record giving you the right to vote the stock. The account statement or letter must show that you were the beneficial owner of the shares on April 12, 2018, the record date for the Annual Meeting.

General. If you submit your proxy using any of the methods above, Alan Johnson or Matthew Revord will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some, or none of the nominees for director and for or against any other proposals properly introduced at the Annual Meeting. If you vote by telephone or Internet and choose to vote with the recommendation of our Board of Directors, or if you vote by mail, sign your proxy card, and do not indicate specific choices, your shares will be voted "**FOR**" the election of each of the ten director nominees (Proposal 1), "**FOR**" ratification of the appointment of our independent public accounting firm (Proposal 2) and "**FOR**" approval of the Amended and Restated Potbelly Corporation 2013 Long-Term Incentive Plan (Proposal 3).

If a matter is not timely submitted pursuant to Rule 14a-4(c)(1), your proxy will authorize Alan Johnson or Matthew Revord to vote your shares in their discretion with respect to any such matter subsequently raised at the Annual Meeting. At the time this Proxy Statement was filed, we knew of no matters to be considered at the Annual Meeting other than those referenced in this Proxy Statement.

How can I revoke my proxy?

You may revoke a proxy in any one of the following three ways:

- submit a valid, later-dated proxy, or vote again by Internet or by phone after your original vote;

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

- notify our corporate secretary in writing before the Annual Meeting that you have revoked your proxy; or
- vote in person at the Annual Meeting.

What “quorum” is required for the Annual Meeting?

In order to have a valid shareholder vote, a quorum must exist at the Annual Meeting. At the Annual Meeting a quorum exists when shareholders holding a majority of the issued and outstanding shares entitled to vote are present or represented by proxy at the meeting.

Votes withheld, abstentions and broker-non votes will be counted as present or represented for purposes of determining whether a quorum exists. In the absence of a quorum, the Annual Meeting may be adjourned by a majority of the votes entitled to be cast either present in person or represented by proxy or by any officer entitled to preside at the Annual Meeting.

What vote is required to approve each proposal?

Proposal 1	Vote Required	Broker Discretionary Voting Allowed
Election of Directors	Plurality of votes cast	No
Proposal 2		
Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017	Majority of shares present in person or represented by proxy and entitled to vote	Yes
Proposal 3		
Approval of the Amended and Restated Potbelly Corporation 2013 Long-Term Incentive Plan	Majority of shares present in person or represented by proxy and entitled to vote	No

How are the voting results determined?

For the election of directors, your vote may be cast “for” each of the nominees or your vote may be “withheld” with respect to one or more of the nominees. The nominees receiving the largest number of “for” votes will be elected as directors, up to the maximum number of directors to be chosen for election. For the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm, your vote may be cast “for,” “against” or “abstain” with respect to that proposal. For the approval of the Amended and Restated Potbelly Corporation 2013 Long-Term Incentive Plan, your vote may be cast “for,” “against” or “abstain” with respect to that proposal. Each of Proposals 2 and 3 will pass if the total votes cast “for” such proposal exceed the total number of votes cast “against” such proposal.

If you are a shareholder of record and you submit (including telephone or Internet) your proxy card with no instructions on how to vote, your shares will be voted in accordance with the recommendations of the Board. If you are a beneficial owner and you submit (including electronic confirmation in the case of telephone or Internet voting) your voting instruction form with no instructions on how to vote, then, because all of the proposals for the Annual Meeting are considered “non-routine matters,” your bank, broker or other nominee would not have discretionary authority to vote your shares on any of the proposals.

What is the effect of abstentions and broker non-votes?

Abstentions and broker non-votes are included for the purpose of determining whether the number of shares present at the Annual Meeting constitutes a quorum.

Abstentions will count as a vote against the proposals, other than for the election of directors. Abstentions will not have an effect on the election of directors because directors are elected by a plurality of the votes cast. Because the approval of a majority of shares present and entitled to vote is required to ratify the appointment of Deloitte & Touche LLP as our independent public accountants and to approve the Amended and Restated Potbelly Corporation 2013 Long-Term Incentive Plan, abstentions have the effect of a vote against those proposals.

Broker non-votes occur when brokers do not have discretionary voting authority to vote certain shares held in “street name” on particular “non-routine” proposals and the “beneficial owner” of those shares has not instructed the broker to vote on those proposals. Broker non-votes are not counted in the tabulations of the votes cast or present at the Annual Meeting and entitled to vote on any of the proposals, and therefore will have no effect on the outcome of the proposals.

If I have already voted by proxy on one or more proposals, can I change my vote?

Yes. To change your vote by proxy, simply sign, date and return the enclosed proxy card or voting instruction form in the accompanying postage pre-paid envelope, or vote by proxy via telephone or the Internet in accordance with the instructions on the proxy card or voting instruction form. We strongly urge you to vote by proxy “**FOR**” Proposals 1, 2 and 3. Only your latest dated proxy will count at the Annual Meeting.

Will my shares be voted if I do nothing?

If your shares are registered in your name, you must sign and return a proxy card in order for your shares to be voted, unless you vote via telephone or the Internet or vote in person at the Annual Meeting.

If your shares are held in “street name” (that is, held for your account by a broker, bank or nominee) and you do not instruct your bank, broker or other nominee how to vote your shares, then, because all of the proposals for the Annual Meeting are considered “non-routine matters,” your bank, broker or other nominee would not have discretionary authority to vote your shares on those proposals. If your shares of our common stock are held in “street name,” your bank, broker or other nominee has enclosed a proxy card or voting instruction form with this Proxy Statement. We strongly encourage you to authorize your bank, broker or other nominee to vote your shares by following the instructions provided on the proxy card or voting instruction form.

Please return your proxy card or voting instruction form to your bank, broker or other nominee by proxy by signing, dating and returning the enclosed proxy card or voting instruction form in the accompanying postage pre-paid envelope or vote by proxy via telephone or the Internet in accordance with the instructions in the proxy card or voting instruction form. Please contact the person responsible for your account to ensure that a proxy card or voting instruction form is voted on your behalf.

We strongly urge you to vote by proxy “**FOR**” Proposals 1, 2 and 3 by signing, dating and returning the enclosed proxy card today in the envelope provided. You may also vote by proxy by telephone using the toll-free number on the proxy card or by Internet using the website address on the proxy card. If your shares are held in “street name,” you should follow the instruction on your proxy card or voting instruction form provided by your bank, broker or other nominee, and provide specific instructions to your bank, broker or other nominee to vote as described above.

Has the Company received notice from one or more shareholders that they are intending to nominate director candidates at the Annual Meeting?

Privet Fund LP had notified the Company of its intention to nominate a slate of nominees for election as directors at the Annual Meeting. However, Privet Fund LP withdrew its nomination notice as part of a settlement with the Company. Please see “Corporate Governance—Resolution of Shareholders Nominations” on page 11 for further details.

What are the fiscal year end dates?

This Proxy Statement provides information about the matters to be voted on at the Annual Meeting and additional information about Potbelly and its executive officers and directors. Some of the information is provided as of the end of our 2016 or 2017 fiscal years as well as some information being provided as of a more current date. Our fiscal year 2016 ended on December 25, 2016 and our fiscal year 2017 ended on December 31, 2017.

ANNUAL MEETING PROCEDURES

proxy, your proxy will be voted: “**FOR**” the election of all of the director nominees of the Board set forth on the proxy card (Proposal 1); “**FOR**” the ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 30, 2018 (Proposal 2) and “**FOR**” the approval of the Amended and Restated Potbelly Corporation 2013 Long-Term Incentive Plan.

The Board is not aware of any matters that are expected to come before the Annual Meeting other than those described in this Proxy Statement. If any other matter should be presented at the Annual Meeting upon which a vote may be properly taken, shares represented by all proxy cards received by the Board will be voted with respect thereto at the discretion of the persons named as proxies in the enclosed proxy card.

Record Date

Only holders of record of shares at the close of business on April 12, 2018 will be entitled to notice of and to vote at the Annual Meeting.

Quorum

A majority of the outstanding shares of common stock issued, outstanding and entitled to vote, present in person or represented by proxy at the Annual Meeting, will constitute a quorum for the transaction of business. Votes withheld, abstentions and broker non-votes will be counted as present or represented for purposes of determining the presence or absence of a quorum for this meeting. In the absence of a quorum, the Annual Meeting may be adjourned either by a majority of the votes entitled to be cast either present in person or by represented by proxy or by the officer entitled to preside at the Annual Meeting.

Required Vote

As a shareholder, you are entitled to one vote per share on any matter submitted to a vote of the shareholders.

Our Amended and Restated Bylaws (the “**Bylaws**”) require that directors are elected by a plurality of the votes cast. Proposal 1, regarding the election of directors to our Board, therefore will require approval of a plurality of the votes cast, meaning that the director nominees receiving the highest numbers of “for” votes of the shares entitled to be voted, up to the number of directors to be elected by such shares, will be elected. As a result, the ten director nominees receiving the most “for” votes at the Annual Meeting will be elected.

The enclosed proxy card enables a shareholder to vote “for” or “withhold” from voting as to each director nominated by the Board. If you vote “withhold” for any director nominee, as opposed to voting “for” any such director nominee, your shares voted as such will be counted for purposes of establishing a quorum, but will not be considered to have been voted “for” the director nominee and as such, will have no effect on the outcome of the vote on Proposal 1. Abstentions and broker non-votes will not constitute votes cast or votes withheld on Proposal 1 and will accordingly have no effect on the outcome of the vote on Proposal 1.

Approval of Proposals 2 and 3 requires the affirmative vote of a majority of the votes cast. The enclosed proxy card enables a shareholder to vote “for,” “against” or “abstain” on these proposals. Each of Proposals 2 and 3 will pass if the total votes cast “for” a given proposal exceed the total number of votes cast “against” such given proposal.

THE BOARD UNANIMOUSLY RECOMMENDS VOTING “FOR” THE ELECTION OF EACH OF THE BOARD’S NOMINEES UNDER PROPOSAL 1 AND “FOR” PROPOSALS 2 AND 3 USING THE ENCLOSED PROXY CARD.

Abstentions and Broker Non-Votes

If you are a beneficial owner and you sign (including electronic confirmation in the case of Internet or telephone voting) your broker voting instruction card with no instructions on how to vote, your stock will be voted in the broker’s discretion only with respect to “routine” matters but will not be voted with respect to “non-routine” matters.

Broker non-votes occur when brokers do not have discretionary voting authority to vote certain shares held in “street name” on particular “non-routine” proposals including the election of directors, and the “beneficial owner” of those shares has not instructed the broker to vote on those proposals. If you are a beneficial owner, your broker, bank or other nominee is permitted to vote your

shares only with regard to ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm, even if the holder does not receive voting instructions from you. Shares registered in the name of a broker, bank or other nominee, for which proxies are voted on some, but not all matters, will be considered to be represented at the Annual Meeting and voted only as to those matters for which the broker, bank or other nominee has authority to vote.

Because the election of directors is determined on the basis of a plurality of the votes cast, abstentions have no effect on the outcome of the election of directors, although they will result in a director receiving fewer votes. Because the approval of a majority of shares present and entitled to vote is required to ratify the appointment of Deloitte & Touche LLP as our independent public accountants, abstentions have the effect of a vote against those proposals. Broker non-votes will have no direct effect on the outcome of the election of directors, or on the ratification of our independent public accountants, or to the approval of our amended and restated long-term incentive plan.

Revocability of Proxy

A shareholder of record who has properly executed and delivered a proxy may revoke such proxy at any time before the Annual Meeting in any of the four following ways:

- timely complete and return a new proxy card bearing a later date;
- vote on a later date by using the telephone or Internet;
- deliver a written notice to our Secretary prior to the Annual Meeting by any means, including facsimile, stating that your proxy is revoked; or
- attend the Annual Meeting and vote in person.

If your shares are held of record by a bank, broker or other nominee and you desire to vote at the Annual Meeting, you may change your vote by submitting new voting instructions to your nominee in accordance with such nominee's procedures.

Appraisal Rights

Shareholders do not have appraisal rights under Delaware law in connection with the matters to be voted on at the Annual Meeting.

Shareholder List

A list of our shareholders as of the close of business on April 12, 2018 will be available for inspection during business hours for ten days prior to the Annual Meeting at our principal executive offices located at 111 North Canal Street, Suite 850, Chicago, Illinois 60606.

CORPORATE GOVERNANCE

Overview

All of our corporate governance materials, including our corporate governance guidelines, our ethics code of conduct and Board committee charters, are published under the Governance section of our Investor website at www.potbelly.com. Information on our website does not constitute part of this Proxy Statement. These materials are also available in print to any shareholder without charge upon request made by telephone at (312) 951-0600 or by mail to our principal executive offices at Potbelly Corporation, 111 North Canal Street, Suite 850, Chicago, Illinois 60606, Attention: Corporate Secretary. The Board of Directors regularly reviews these materials, Delaware law, the rules and listing standards of the Nasdaq Global Select Market (“NASDAQ”) and SEC rules and regulations, as well as best practices suggested by recognized governance authorities, and modifies the materials as it believes is warranted.

Director Independence

Our Board of Directors reviews the independence of the current and potential members of the Board of Directors in accordance with independence requirements set forth in the NASDAQ rules and applicable provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (the “Exchange Act”). During its review, the Board of Directors considers transactions and relationships between each director and potential director, as well as any member of his or her immediate family, and the Company and its affiliates, including those related-party transactions contemplated by Item 404(a) of Regulation S-K under the Exchange Act. The Board of Directors must affirmatively determine that the director has no material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company, that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The purpose of this review is to determine whether any such relationships or transactions exist that are inconsistent with a determination that the director is independent. Our Board of Directors has determined that all nominees except Alan Johnson, our Chief Executive Officer, are “independent” as such term is defined by NASDAQ rules, our corporate governance standards and the federal securities laws.

Ethics Code of Conduct

We have a written ethics code of conduct that applies to our directors, officers and employees. A copy of this code is available at <http://investors.potbelly.com/corporate-governance/governance-documents>. We will disclose information regarding any amendment to or waiver from the provision of this code by posting it on the same portion of our website.

Conflicts of Interest

Pursuant to our ethics code of conduct and our related party transaction policy, each director and executive officer has an obligation not to engage in any transaction that could be deemed a conflict of interest. Our directors may not engage in any transaction that could impact their independence on the Board of Directors. See “Related Party Transactions,” on page 40 of this Proxy Statement.

Resolution of Shareholder Nominations

On April 12, 2018, we entered into a Settlement Agreement (the “Settlement Agreement”) with Privet Fund LP, Privet Fund Management LLC, Ryan Levenson and Ben Rosenzweig (collectively, “Privet”).

Effective upon the execution of the Settlement Agreement, our Board (i) expanded the size of the Board from nine members to ten members, (ii) appointed Ben Rosenzweig (the “Designee”) to the Board and (iii) appointed the Designee to the Compensation Committee of the Board. Our Board also agreed to include Mr. Rosenzweig in the Company’s slate of nominees for election to the Board at the Annual Meeting.

CORPORATE GOVERNANCE

Also effective upon execution of the Settlement Agreement, Privet withdrew its notice of intent to nominate director candidates for election to the Board at the Annual Meeting.

Among other things, the Settlement Agreement also provides that:

- The Designee will be entitled to receive the same compensation as the Company's other non-employee Board members.
- Privet will have the right to designate a replacement director in the event that the Designee ceases to be a director during the term of the Settlement Agreement, subject to certain terms and conditions and Board approval.
- Privet has agreed that, in the event that Privet ceases to beneficially own at least 4% of the Company's then outstanding common stock during the Initial Term (as defined below), or at least 3% of the Company's then outstanding common stock for the remainder of the term of the Settlement Agreement, in each case, subject to adjustment for stock splits, reclassifications, combinations and similar adjustments and solely because of divestitures of the stock by Privet, then the Designee will immediately resign from the Company's Board, and Privet's rights to designate a Board member shall terminate.
- During the term of the Settlement Agreement, Privet will be subject to customary standstill restrictions relating to, without limitation, share purchases subject to a cap of 10.0% during the Initial term or 14.9% for the remainder of the term of the Settlement Agreement, support of proxy contests and other activism campaigns, calling of special meetings, and related matters.
- During the term of the Settlement Agreement, Privet will vote all of its shares of the Company's common stock at any and all annual or special meetings in accordance with the Board's recommendations, subject to certain exceptions relating to extraordinary transactions and recommendations of Institutional Shareholder Services, Inc. and Glass Lewis & Co., LLC.
- Each party agrees not to disparage the other party, subject to certain exceptions.
- Each party agrees not to sue the other party, subject to certain exceptions.
- Privet agrees to enter into a confidentiality agreement simultaneously with the execution of the Settlement Agreement.
- Either party may terminate the Settlement Agreement by giving five business days' advance notice to the other parties at any time after the date that is 30 days prior to the notice deadline for the nomination of director candidates for election to the Board at the 2019 annual meeting of shareholders, subject to certain exceptions (the "Initial Term"). Should the Board renominate the Designee for election to the Board at the 2019 annual meeting of shareholders, and should the designee accept the nomination, then the Initial Term will be automatically extended until the date that is 30 days prior to the notice deadline for the nomination of director candidates for election to the Board at the 2020 annual meeting of shareholders.

Structure of the Board of Directors

Our certificate of incorporation provides that our Board of Directors shall consist of not more than twelve directors, with the exact number as determined from time to time by resolution of the Board. Our Board of Directors currently consists of ten members, comprised of Pete Bassi, Joseph Boehm, Ann-Marie Campbell, Susan Chapman-Hughes, Dan Ginsberg, Marla Gottschalk, Alan Johnson, Harvey Kanter, Benjamin Rosenzweig, and Carl Warschausky. All current directors, except for Carl Warschausky, are nominees for election for a term expiring at our 2019 Annual Meeting of Shareholders (the "2019 Annual Meeting"). Carl Warschausky has given notice to the Board of his intent to not stand for re-election to the Board at the Annual Meeting. Sue Collyns is a new director candidate and was nominated by our Board on March 28, 2018. Our certificate of incorporation provides that if a director is removed or if a vacancy occurs, the vacancy may be filled by a majority of the directors then in office, even if less than a quorum, or by a sole remaining director.

Board Leadership Structure

Mr. Bassi serves as our Chairman of the Board. Our Board of Directors has carefully considered its leadership structure and believes at this time that the Company and its shareholders are best served by having the offices of Chairman of the Board and CEO held by different individuals. The Board appointed Mr. Bassi to the role of Chairman in August of 2017. Prior to that appointment, Mr. Bassi served as Lead Director and the role of Chairman of the Board and CEO were combined. As part of our corporate governance principles, and as required in our Bylaws, in the event the Chairman of the Board and CEO positions are ever combined, or the Chairman of the Board is not otherwise independent, the Board of Directors shall appoint an independent

director to serve as lead independent director. The Bylaws also provide that the chairperson of each of our committees will rotate at least once every three years. Our Board of Directors believes that these and other structural features provide for substantial independent oversight of the Company's management.

Our Board of Directors recognizes that depending on future circumstances, other leadership models may become more appropriate. Accordingly, our Board of Directors will continue to periodically review its leadership structure.

Board's Role in Risk Oversight

The entire Board of Directors is engaged in risk management oversight. At the present time, the Board of Directors has not established a separate committee to facilitate its risk oversight responsibilities. The Board of Directors expects to continue to monitor and assess whether such a committee would be appropriate. The Audit Committee assists the Board of Directors in its oversight of our risk management and the process established to identify, measure, monitor, and manage risks, in particular major financial risks. The Compensation Committee assesses risks arising from our compensation policies and practices. The Board of Directors receives regular reports from management, as well as from the Audit Committee and Compensation Committee, regarding relevant risks and the actions taken by management to address those risks.

The committee will consider director candidates recommended by shareholders in the same manner it considers other candidates, but it has no obligation to recommend such candidates. A shareholder that wants to recommend a candidate for election to the Board of Directors should send a recommendation in writing to Potbelly Corporation, 111 North Canal Street, Suite 850, Chicago, Illinois 60606, Attention: Corporate Secretary. In evaluating the suitability of individual Board members, the Board and the Nominating and Corporate Governance Committee will take into account factors such as the individual's general understanding of disciplines relevant to the success of a publicly traded company; understanding of Potbelly's business; education and professional background, including current employment and other board memberships; reputation for integrity; and any other factors they consider to be relevant. Pursuant to the provisions of our Corporate Governance Guidelines, the Board will endeavor to reflect the diversity of Potbelly's shareholders, employees and customers and the communities it serves. Additionally, in determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board.

If the Nominating and Corporate Governance Committee determines that an additional or replacement director is required, the committee may take such measures that it considers appropriate in connection with its evaluation of a director candidate, including candidate interviews, inquiry of the person or persons making the recommendation and engagement of an outside search firm to gather additional information. From time to time for a fee, Potbelly has used the executive search firm, Spencer Stuart, to identify and evaluate or assist in identifying and evaluating potential candidates for election as directors. Mr. Boehm was recommended by a shareholder, Ancora Advisors, LLC. Ms. Collyns was introduced to the Board by our Chief Executive Officer, Alan Johnson. Mr. Rosenzweig was recommended by a shareholder, Privet Fund LP.

Communication with the Board

Shareholders and other parties interested in communicating directly with one or more individual directors or with the non-management directors as a group, may do so by writing to the individual director or group, c/o Potbelly Corporation, 111 North Canal Street, Suite 850, Chicago, Illinois 60606, Attention: Corporate Secretary. The Board has directed our corporate secretary to forward shareholder communications to our chairman and any other director to whom the communications are directed. In order to facilitate an efficient and reliable means for directors to receive all legitimate communications directed to them regarding our governance or operations, our corporate secretary will use his discretion to refrain from forwarding the following: sales literature; defamatory material regarding us and/or our directors; incoherent or inflammatory correspondence, particularly when such correspondence is repetitive and was addressed previously in some manner; and other correspondence unrelated to the Board of Director's corporate governance and oversight responsibilities.

PROPOSAL 1

PROPOSAL 1

Election of Directors

Ten candidates will be elected at the Annual Meeting for a one-year term that will expire at the 2019 Annual Meeting and until their successors shall have been elected and qualified. The election of directors requires the affirmative vote of a plurality of our shares of common stock present in person or by proxy at the Annual Meeting.

Our Board of Directors has nominated Pete Bassi, Joseph Boehm, Ann-Marie Campbell, Susan Chapman-Hughes, Sue Collyns, Dan Ginsberg, Marla Gottschalk, Alan Johnson, Harvey Kanter, and Benjamin Rosenzweig for election as directors. Director Carl Warscahusky has given notice to the Board of his intent to not stand for re-election to the Board at the Annual Meeting. The Board of Directors is not aware that any nominee will be unwilling or unable to serve as a director. All nominees have consented to be named in this Proxy Statement and to serve as a director of the Company if elected. Proxies may not be voted for a greater number of persons than the number of nominees named in this Proxy Statement.

The Board's nominees possess the requisite experience and skills to successfully oversee the Company's strategy and business, in the Board's view. The Board, and its nominees, are dedicated to analyzing objectively the Company's strategy, business operations, capital allocation and configuration and acting to maximize shareholder value.

For more information on the structure of our Board of Directors and our Board members and nominees, see "Corporate Governance." A discussion of the qualifications and experience of each nominee that led our Board and the Nominating and Corporate Governance Committee to conclude that such nominee should serve or continue to serve as director has been added to the end of each of the nominees' biographies.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF THESE NOMINEES.

PROPOSAL 2

Ratification of Appointment of Independent Registered Public Accounting Firm

The Audit Committee of our Board of Directors is responsible for recommending, for shareholder approval, our independent registered public accounting firm. The Audit Committee has selected the accounting firm of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the fiscal year ending December 30, 2018. Deloitte & Touche LLP has served as our independent registered public accounting firm since before our Initial Public Offering and has also provided non-audit services from time to time.

Although ratification is not required by our Bylaws or otherwise, our Board of Directors is submitting the selection of Deloitte & Touche LLP to our shareholders for ratification because we value our shareholders' views on our independent registered public accounting firm and as a matter of good corporate practice. The Audit Committee will consider the outcome of this vote in its decision to appoint an independent registered public accounting firm but is not bound by our shareholders' vote. Even if the selection of Deloitte & Touche LLP is ratified, the Audit Committee may change the appointment at any time during the year if it determines a change would be in the best interests of the Company and our shareholders.

The following table sets forth the fees pertaining to audit services for the fiscal years ended December 31, 2017 and December 25, 2016 and for other services during those fiscal years:

	2017	2016
Audit fees (1)	\$503,000	\$475,500
Audit-related fees (2)	5,000	8,000
Tax fees (3)	339,525	284,760
All other fees	0	0
Total fees	\$847,525	\$768,260

1. Audit fees include fees for audits of our annual financial statements, reviews of the related quarterly financial statements, and services that are normally provided by the independent accountants in connection with statutory and regulatory filings or engagements, including reviews of documents filed with the SEC.

2. Audit-related fees were comprised of fees for services performed in connection with other audit-related services and our filing of a registration statement on Form S-8.

3. Tax fees relate to professional services rendered for tax compliance, tax return review and preparation and related tax advice.

Policy on Audit Committee Approval of Audit and Non-Audit Services

The Audit Committee's policy is to approve all audit and permissible non-audit services prior to the engagement of our independent registered public accounting firm to provide such services. The Audit Committee annually approves, pursuant to detailed approval procedures, certain specific categories of permissible non-audit services. Such procedures include the review of (i) a detailed description by our independent registered public accounting firm of the particular services to be provided and the estimated fees for such services and (ii) a regular report to the committee regarding the services provided and the fees paid for such services. The Audit Committee must approve on a project-by-project basis any permissible non-audit services that do not fall within a pre-approved category and any fees for pre-approved permissible non-audit services that materially exceed the previously approved amounts. In making the determinations about non-audit services, the Audit Committee considers whether the provision of non-audit services is compatible with maintaining the auditor's independence.

All services provided to the Company by Deloitte & Touche LLP in fiscal 2017 and fiscal 2016 and related fees were pre-approved by the Audit Committee.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting and to be available to respond to your questions. They have advised us that they do not presently intend to make a statement at the Annual Meeting, although they will have the opportunity to do so.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL 3

Approval of Amended and Restated Potbelly Corporation 2013 Long-Term Incentive Plan

The Board recommends approval of the Potbelly Corporation 2013 Long-Term Incentive Plan, as amended and restated effective as of May 24, 2018 (the "Plan"). We are submitting the Plan to our shareholders for approval in order to increase the number of shares available under the Plan by 1,000,000 shares and make certain other technical changes, including modifications to the Plan to delete the provisions regarding performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") in light of the repeal of the performance-based compensation exemption from Section 162(m) of the Code on a go forward basis. As of December 31, 2017, there were 639,175 shares available for issuance under the existing long-term incentive plan. The Board believes approval of the Plan is necessary to enable us to continue to attract, retain and motivate our officers and employees.

A summary of the principal features of the Plan is provided below, but it is qualified in its entirety by reference to the full text of the amended and restated Plan that is attached to this Proxy Statement as **Appendix A**.

Background

We established the Plan in connection with our initial public offering in 2013. The purpose of the Plan is to (a) align the interests of our shareholders and the recipients of awards under the plan by increasing the proprietary interest of such recipients in the our growth and success; (b) advance our interests by attracting and retaining qualified employees, outside directors and other persons providing services to us and/or our related companies; and (c) motivate such persons to act in the long-term best interests of our shareholders.

The Board approved an amendment and restatement of the Plan on March 7, 2018. The following are the most significant changes to the Plan included in the amendment and restatement, subject to approval of our shareholders:

- We have increased the number of shares available for issuance under the Plan from 2,500,000 to a total number of 3,500,000, as described in greater detail below;
- We modified the Plan to provide that full value awards granted in the future will reduce the number of shares available in the Plan by two times the number of shares subject to the award and option awards granted in the future will reduce the number of shares under the Plan on a one-for-one basis;
- We modified the Plan to include more stringent share recycling provisions;
- We modified the Plan the provide for minimum vesting provisions with respect to awards, subject to certain exceptions;
- We broadened the prohibitions on replacement of options and stock appreciation rights in exchange for other awards;
- We modified the provisions of the Plan relating to vesting of performance-based awards in connection with a change in control; and
- We modified the Plan to limit awards under the Plan to the Board of Directors such that Director awards cannot exceed \$300,000 in total value in any one calendar year or \$400,000 in the year they commence service on the Board of Directors.

On April 12, 2018, the closing price of a share of our common stock on NASDAQ was \$12.25.

If the amended and restated Plan is not approved by the Company's stockholders, the Company will continue to operate the Plan in accordance with its existing terms.

Summary of Plan

Administration. The Plan generally is administered by the Compensation Committee of our Board of Directors. The Compensation Committee selects award recipients under the Plan who will thereby become participants, the types of awards to be granted and the applicable terms, conditions, performance criteria, restrictions and other provisions of such awards, not inconsistent with the plan. The Compensation Committee also has the authority to conclusively interpret the Plan. Subject to the applicable securities exchange rules and applicable law, the Compensation Committee may delegate all or any portion of its responsibilities or powers under the Plan to persons selected by it.

Authorized Shares. We have reserved 3,500,000 shares of our common stock for issuance pursuant to the Plan. A share of common stock issued in connection with any award under the Plan shall reduce the total number of shares of common stock available for issuance under the Plan by one; provided, however, that shares issued in connection with Full Value Awards (described below) granted under the amended and restated Plan shall reduce the total number of shares of common stock available for issuance under the Plan by a ratio of 2:1. Any shares of our common stock covered by an award under the Plan that expires or is forfeited or terminated without issuance of shares of common stock (including shares of common stock that are attributable to awards that are settled in cash, (collectively “Recycled Shares”)) will again be available for awards under the Plan. Recycled Shares shall be added back to the number of shares of common stock reserved for issuance under the Plan on a one for one basis; provided, however, that Recycled Shares attributable to any Full Value Award granted under the Plan after the amendment and restatement is approved by our shareholders shall be added back on a two for one basis. All awards under the Plan have been made under the limit in place prior to the proposed increased limit. The following shares of common stock may not again be made available for issuance under the Plan: (i) shares of common stock not issued or delivered as a result of the net settlement of an outstanding award; (ii) shares delivered to or withheld to pay the exercise price of an option or Stock Appreciation Right (“SAR”) or to pay the withholding taxes with respect to an award; or (iii) shares of common stock repurchased on the open market with the proceeds of the exercise price of an option.

Additional Limits. The following additional limits will apply to awards under the Plan: (a) no more than 2,500,000 shares of common stock may be subject to incentive stock options (“ISOs”) granted under the Plan; (b) the maximum number of shares of common stock that may be covered by options and SARs granted to any one participant in any one calendar year may not exceed 400,000 shares of common stock; and (c) with respect to Full Value Awards that are intended to be performance-based compensation for purposes of section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), the maximum number of shares of common stock that may be delivered pursuant to any such award granted to any one participant during any calendar year, regardless of whether settlement of the award is to occur prior to, at the time of, or after the time of vesting, may not exceed 400,000 shares of common stock. The aggregate value of all awards granted under the Plan to any outside director shall not exceed (y) \$300,000 in total value in any one calendar year or (z) in the event such outside director is first appointed or elected to the Board in such calendar year, \$400,000 in total value.

Adjustments. In the event of a corporate transaction, including a stock dividend, stock split, reverse stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, exchange of shares, sale of assets or subsidiaries, combination or other corporate transaction, that affects our common stock such that the Compensation Committee determines that an adjustment is warranted in order to preserve the benefits or prevent the enlargement of benefits of awards under the Plan, the Compensation Committee will make adjustments to awards in a manner that it determines to be equitable in its discretion. Actions that the Compensation Committee may take are: (i) adjustment of the number and kind of shares which may be delivered under the Plan (including adjustments to the individual limitations described above); (ii) adjustment of the number and kind of shares subject to outstanding awards; (iii) adjustment of the exercise price of outstanding options and SARs; and (iv) any other adjustments that the Compensation Committee determines to be equitable, which may include, without limitation, (A) replacement of awards with other awards which the Compensation Committee determines have comparable value and which are based on stock of a company resulting from the transaction, and (B) cancellation of the award in return for cash payment of the current value of the award, determined as though the award is fully vested at the time of payment, provided that in the case of an option or SAR, the amount of such payment may be the excess of the value of the shares of common stock subject to the option or SAR at the time of the transaction over the exercise price.

Eligibility. The Compensation Committee may grant awards under the Plan to any officer, director, employee, consultant, independent contractor or agent of the Company and/or a related company, and persons who are expected to become an officer, director, employee, consultant, independent contractor or agent of the Company or a related company. Awards to a person who is expected to become a service provider to the Company or a related company cannot be effective prior to the date on which such person’s service begins. ISOs may only be granted to employees of the Company and its corporate related companies which satisfy certain Code requirements. As of April 12, 2018, we had approximately 7,000 employees and ten directors, all of whom would be eligible to participate in the Plan if selected by the Compensation Committee.

Types of Awards. The Plan will provide for grants of options (including nonqualified stock options (“NQOs”) and ISOs), SARs, and Full Value Awards.

- **Options and SARs.** The Compensation Committee may grant options to purchase shares of common stock, which options may be either ISOs or NQOs. ISOs may only be granted to employees of us and our permitted corporate subsidiaries and must satisfy other requirements of section 422 of the Code. An option that does not satisfy the requirements for an ISO will be treated as a NQO. An SAR entitles the participant to receive (in shares of common stock or cash) an amount that is equal to the excess of the fair market value of a specified number of shares of common stock on the exercise date over the exercise price of the SAR. The exercise price of an option or SAR must be no less than the fair market value of a share of common

PROPOSAL 3

stock on the date the option or SAR is granted. Except for reductions approved by our stockholders or adjustments for business combinations, the exercise price of an option or SAR may not be decreased after the date of grant nor may an option or SAR be surrendered to us as consideration for the grant of a replacement option or SAR with a lower exercise price or a Full Value Award. In addition, except as approved by our stockholders, no option granted under the Plan may be surrendered to us in consideration of a cash payment if, at the time of such surrender, the exercise price of the option is greater than the then fair market value of a share of common stock. Except as provided by the Compensation Committee at the time of grant, an option or SAR will expire on the earliest to occur of the following (i) the one-year anniversary after the participant's employment or service terminates for death or disability (as defined in the Plan), (ii) the three-month anniversary after the participant's employment or service terminates other than for death, disability or cause (as defined in the Plan), or (iii) the day preceding the date on which the participant's employment or service terminates for cause. In any event, an option or SAR will expire no later than the 10th anniversary of the date on which it is granted (or such shorter period required by the rules of any stock exchange on which the common stock is listed).

- **Full Value Awards.** A Full Value Award is a grant of one or more shares of common stock or a right to receive one or more shares of common stock in the future (including restricted stock, restricted stock units, deferred stock units, performance stock and performance stock units). Any Full Value Awards will be subject to such conditions, restrictions and contingencies as the Compensation Committee determines including provisions relating to dividends or dividend equivalent rights and deferred payment or settlement, conformity with our recoupment or clawback policies in effect from time to time, compliance with restrictive covenants and other facts that the committee determines appropriate. Dividends or dividend equivalents will not be paid or settled on Full Value Awards that have not otherwise been earned or vested. Special vesting restrictions also apply to Full Value Awards made to employees.

Special Vesting Rules. Except for (a) awards granted under the Plan with respect to shares of common stock which do not exceed, in the aggregate, five percent of the total number of shares of common stock reserved for issuance pursuant to the Plan, (b) awards granted in lieu of other compensation, and (c) awards that are a form of payment of earned performance awards or other incentive compensation provided that the performance period relating to such performance or incentive awards was at least one year, if a participant's right to become vested in an award is conditioned on the completion of a specified period of service with the us or our affiliates being required, then the required period of service shall be at least one (1) year, except if accelerated in the event of the participant's death or disability, or involuntary termination.

Transferability. Awards under the plan generally may not be transferred except through will or by the laws of descent and distribution; provided, however, that unless otherwise provided by the Compensation Committee, awards (other than an ISO) may be transferred to or for the benefit of the participant's family (including, without limitation, to a trust or partnership for the benefit of a participant's family) in accordance with rules established by the Compensation Committee.

Change in Control. In the event that (i) a participant is employed or in service on the date of a Change in Control (as defined in the Plan) and the participant's employment or service, as applicable, is terminated by us, our successor or a related company that is the participant's employer for reasons other than cause (as defined in the Plan) within 24 months following the Change in Control, or (ii) the Plan is terminated by us or our successor following a Change in Control without provision for the assumption, continuation or substitution of outstanding awards under the Plan, all options, SARs and related awards which have not otherwise expired will become immediately exercisable and all other awards will become fully vested; provided, however, that all awards with conditions and restrictions relating to the attainment of performance goals shall become vested assuming the higher of (A) achievement of all relevant performance goals at the target level of performance (pro-rated based upon the length of time within the performance period that has elapsed prior to the Change of Control) or (B) actual achievement of the performance goals as of the date of the Change of Control. A participant's employment or service will be deemed to have been terminated by us or our successor for reasons other than for cause if the participant terminates employment or service after a substantial adverse alteration in the nature of the participant's status or responsibilities from those in effect immediately prior to the Change in Control or a material reduction in the participant's annual base salary and target bonus, or in the case of an outside director his annual compensation, as in effect immediately prior to the Change in Control. Special rules apply if, upon a Change in Control, awards in other shares or securities are substituted for outstanding awards under the Plan and if, immediately prior to the Change in Control, the participant becomes an employee or a director of, as applicable, the successor to us.

Amendment and Termination. The Board of Directors may, at any time, amend or terminate the Plan, and the Board of Directors or the Compensation Committee may amend any award agreement, provided that no amendment or termination may, in the absence of written consent to the change by the affected participant (or, if the participant is not then living, the affected beneficiary), adversely affect the rights of any participant or beneficiary under any award granted under the Plan prior to the date such amendment is adopted by the Board of Directors (or the Compensation Committee, if applicable). Adjustments to the Plan and awards on account of business transactions (as described above) are not subject to the foregoing prohibition. The provisions of the Plan that prohibit repricing of options and SARs or exchanges of an option or SAR for another award or cash payment if

the exercise price is below fair market value on the date of the repricing or exchange cannot be amended unless the amendment is approved by our shareholders.

U.S. Federal Income Tax Implications of the Plan

The discussion that follows is a summary, based on U.S. federal tax laws and regulations presently in effect, of some significant U.S. federal income tax considerations relating to awards under the Plan. The applicable laws and regulations are subject to change, and the discussion does not purport to be a complete description of the federal income tax aspects of the Plan. This summary does not discuss state, local or foreign laws.

Stock Options. The tax treatment of a stock option depends on whether the option is an NQO or an ISO.

The grant of an NQO will not result in taxable income to the participant. Except as described below, the participant will realize ordinary income at the time of exercise in an amount equal to the excess of the fair market value of the shares of stock acquired over the exercise price for those shares of common stock, and we will be entitled to a corresponding deduction.

The grant of an ISO will not result in taxable income to the participant. The exercise of an ISO will not result in taxable income to the participant provided that the participant was, without a break in service, an employee of us and our eligible subsidiaries (determined under tax rules) during the period beginning on the date of the grant of the ISO and ending on the date three months prior to the date of exercise (one year prior to the date of exercise if the participant is disabled, as that term is defined in the Code).

The excess of the fair market value of the shares of common stock at the time of the exercise of an ISO over the exercise price is an adjustment that is included in the calculation of the participant's alternative minimum taxable income for the tax year in which the ISO is exercised. For purposes of determining the participant's alternative minimum tax liability for the year of disposition of the shares of common stock acquired pursuant to the ISO exercise, the participant will have a basis in those shares of common stock equal to the fair market value of the shares of common stock at the time of exercise.

If the participant does not sell or otherwise dispose of the shares of common stock within two years from the date of the grant of the ISO or within one year after receiving the transfer of such shares of common stock, then, upon disposition of such shares of common stock, any amount realized in excess of the exercise price will be taxed to the participant as capital gain, and we will not be entitled to any deduction for Federal income tax purposes.

If the foregoing holding period requirements are not met, the participant will generally realize ordinary income, and a corresponding deduction will be allowed to us, at the time of the disposition of the shares of common stock, in an amount equal to the lesser of (a) the excess of the fair market value of the shares of common stock on the date of exercise over the exercise price, or (b) the excess, if any, of the amount realized upon disposition of the shares of common stock over the exercise price.

Special rules apply if an option is exercised through the exchange of previously acquired stock

SARs. A participant will not be deemed to have received any income upon the grant of a SAR. Generally, when a SAR is exercised, the excess of the market price of common stock on the date of exercise over the exercise price will be taxable to a participant as ordinary income. We are entitled to a deduction in the year of exercise equal to the amount of income taxable to the individual.

Full Value Awards. The federal income tax consequences of a Full Value Award will depend on the type of award. The tax treatment of the grant of shares of common stock depends on whether the shares are subject to a substantial risk of forfeiture (determined under Code rules) at the time of the grant. If the shares are subject to a substantial risk of forfeiture, the participant will not recognize taxable income at the time of the grant and when the restrictions on the shares lapse (that is, when the shares are no longer subject to a substantial risk of forfeiture), the participant will recognize ordinary taxable income in an amount equal to the fair market value of the shares at that time. If the shares are not subject to a substantial risk of forfeiture or if the participant elects to be taxed at the time of the grant of such shares under Code Section 83(b), the participant will recognize taxable income at the time of the grant of shares in an amount equal to the fair market value of such shares at that time, determined without regard to any of the restrictions. If the shares are forfeited before the restrictions lapse, the participant will be entitled to no deduction on account thereof. The participant's tax basis in the shares is the amount recognized by him or her as income attributable to such shares. Gain or loss recognized by the participant on a subsequent disposition of any such shares is capital gain or loss if the shares are otherwise capital assets.

In the case of other Full Value Awards, such as restricted stock units or performance stock units, the participant generally will not have taxable income upon the grant of the award provided that there are restrictions on such awards that constitute a substantial risk of forfeiture under applicable Code rules. Participants will generally recognize ordinary income when the restrictions on

PROPOSAL 3

awards lapse, on the date of grant if there are no such restrictions or, in certain cases, when the award is settled. At that time, the participant will recognize taxable income equal to the cash or the then fair market value of the shares issuable in payment of such award, and such amount will be the tax basis for any shares received. In the case of an award which does not constitute property at the time of grant (such as an award of units), participants will generally recognize ordinary income when the award is paid or settled.

We generally will be entitled to a tax deduction in the same amount, and at the same time, as the income is recognized by the participant.

Section 162(m) and Section 280G. Compensation that qualifies as “Performance-Based Compensation” is excluded from the \$1 million deductibility cap of Code Section 162(m), and therefore remains fully deductible by the Company paying it. Generally, stock options and SARs granted with an exercise price or exercise price at least equal to 100% of fair market value of the underlying stock at the date of grant and performance awards to employees that the Compensation Committee designates as Performance-Based Compensation are intended to qualify as such “Performance-Based Compensation”. A number of requirements must be met in order for particular compensation to so qualify, however, so there can be no assurance that such compensation under the Plan will be fully deductible under all circumstances. In addition, other awards under the Plan, such as non-performance-based awards, generally will not so qualify, so that compensation paid to certain executives in connection with such awards may, to the extent it and other compensation subject to the limitations of Code Section 162(m) in a given year, not be deductible by us as a result of Code Section 162(m).

The Tax Reform and Jobs Act of 2017 (the “Act”) has eliminated the Performance-Based Compensation exception of Code Section 162(m) for taxable years beginning after December 31, 2017, such that compensation paid to our covered executive officers in excess of \$1 million will not be deductible (assuming that it would have had the exception not been eliminated) unless it qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017. Therefore, despite the Compensation Committee’s efforts, to the extent applicable, to structure awards under the Plan in a manner intended to be exempt from Section 162(m) and therefore not subject to its deduction limits, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the regulations issued thereunder, including the uncertain scope of the transition relief under the Act, no assurance can be given that awards under the Plan that were previously intended to satisfy the requirements for the Performance-Based Compensation exception from Code Section 162(m) in fact will. Further, the Compensation Committee reserves the right to modify awards that were initially intended to be exempt from Code Section 162(m) if it determines that such modifications are consistent with our business needs.

Compensation to certain employees resulting from the earning or vesting of awards in connection with a change in control or termination following a change in control also may be non-deductible under Code Sections 4999 and 280G.

The foregoing provides only a general description of the application of federal income tax laws to certain awards under the Plan. This discussion is intended for the information of shareholders considering how to vote at the Annual Meeting and not as tax guidance to participants in the Plan, as the consequences may vary with the types of awards made, the identity of the recipients and the method of payment or settlement.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE PLAN.

EXECUTIVE AND DIRECTOR COMPENSATION

Introduction

Our compensation philosophy is to pay for performance, rewarding employees when performance targets are met. Merit increases, annual incentive compensation, equity awards, and incremental paid time off are all tied to performance and results. Our compensation programs are designed to attract, retain, motivate, and reward employees. Our pay program is designed to compensate employees commensurate with the scope and influence of the employee's role and the extent to which an employee contributes to the achievement of key initiatives and financial targets, and demonstrates our values. All of our compensation programs are designed to align and reward actions that we believe contribute to our competitiveness and encourage superior performance.

In 2017, Aon Hewitt, which provides occasional consulting services to the Compensation Committee, benchmarked executive equity compensation. Aon Hewitt also provides the Compensation Committee with consulting services concerning employee benefit plans.

The Compensation Committee considered Aon Hewitt's recommendations as well as relevant market practices when setting executive compensation to align our executive compensation program with the market for which we compete for executive talent. Our market for executive recruiting is generally other restaurant or retail concepts. For non-operations executives, we look at the general restaurant industry. In evaluating the competitiveness of our executive compensation program, we target compensation against the restaurant industry, specifically the limited-service restaurant segment, and national and local competitors to help ensure we are competitive, focusing on items such as equity awards, merit pay, incentive pay and paid time off. We evaluate our executives on a scale of one through five. A score of three means the executive is a "Contributor," four is a "High Contributor" and five is a "Star." Annual cash compensation varies based on the executive's score, other individual performance measures, Company performance, and contributions to Potbelly.

Executive pay is tied to both the Company's and the individual's annual performance. Merit increases, annual incentive compensation, equity compensation, when granted, and paid time off are generally awarded in March or April of each year, following completion of the first quarter annual performance review cycle, the annual financial audit and approval from the Compensation Committee. The employment agreements of our named executive officers specify each executive's annual incentive bonus target under our current bonus program. In addition, at the discretion of the Compensation Committee in the case of our Chief Executive Officer, and at the discretion of our Chief Executive Officer and upon the approval of the Compensation Committee in the case of our other executive officers, there may be an increase or decrease applied to the annual bonus awarded to an executive, including the other named executive officers, in order to account for exceptional circumstances. However, it is anticipated that such bonuses would only be awarded under unusual circumstances to further the objectives of our compensation program.

Employment Agreements

The following is a summary of the employment agreements and similar agreements the Company has entered into with each of the named executive officers.

Alan Johnson. Mr. Johnson entered into an employment agreement with the Company effective as of November 29, 2017 (the “Johnson Agreement”) pursuant to which he will serve as our President and Chief Executive Officer. The Johnson Agreement provides for a base salary of \$725,000, subject to increase from time to time in the discretion of the Board. The Johnson Agreement provides that beginning with the 2018 calendar year, Mr. Johnson is eligible for an annual bonus amount to be determined by the Compensation Committee. For the 2018 calendar year, Mr. Johnson will be eligible for an annual target bonus of 100% of base salary, with a maximum bonus of 200% of base salary. Such bonus is subject to satisfaction of applicable performance targets and, for the 2018 calendar year shall not be less than \$543,750 so long as Mr. Johnson’s termination date does not occur prior to December 31, 2018. The Johnson Agreement also provides for the reimbursement of relocation

expenses actually incurred, including transportation expenses, temporary housing, moving household goods, real estate commissions and closing costs incurred with the sale of his current residence and with the purchase of a residence in the Chicago area.

Pursuant to the Johnson Agreement, on November 29, 2017, Mr. Johnson was granted 78,125 restricted stock units with a grant date value of \$1,000,000 and granted 200,401 stock options with a Black-Scholes value of \$1,000,000. The options have an exercise price of \$12.80. Under the Johnson Agreement, Mr. Johnson is not eligible for any equity awards under the Company's equity incentive plan in calendar year 2018. The Johnson Agreement contemplates that Mr. Johnson may be granted equity awards under the Company's equity incentive plan beginning with calendar year 2019 with a target award value of \$1,000,000, with the actual value of the equity award for any year determined by the Compensation Committee in its sole discretion.

The Johnson Agreement terminates upon death, disability, termination by us with or without cause or resignation by Mr. Johnson without good reason. The Johnson Agreement generally defines "cause" as Mr. Johnson's (i) willful and continued failure to substantially perform his duties for the Company (other than due to his disability); (ii) willful engagement in conduct which is demonstrably and materially injurious to the Company, monetarily or otherwise; (iii) engaging in egregious misconduct involving serious moral turpitude to the extent that, in the reasonable judgment of the Board, Mr. Johnson's credibility and reputation no longer confirm to the standard of the Company's executives; (iv) indictment for the commission of a crime that constitutes a felony; or (v) a breach of his confidentiality, non-competition, non-interference and intellectual property agreement. The Johnson Agreement generally defines "good reason" as (1) assignment of duties that are materially inconsistent with his position and that result in a substantial diminution of the duties applicable to the position; (2) material reduction in base salary; (3) relocation to a place more than 50 miles from Chicago; or (4) material breach of the agreement by us.

Mr. Johnson is also a party to a confidentiality, noncompetition, noninterference and intellectual property agreement, with the noncompetition and noninterference covenants lasting for one year after termination of employment. For information regarding the severance benefits under the Johnson Agreement as well as the treatment of Mr. Johnson's outstanding equity awards upon a qualifying termination or a corporate transaction/change in control, see "—Potential Payments Upon Termination of Employment or a Corporate Transaction/Change in Control— Alan Johnson Employment Agreement," on page 36 of this Proxy Statement.

Aylwin Lewis. Mr. Lewis's employment terminated as of August 8, 2017. Mr. Lewis entered into a Separation and General Release Agreement (the "Separation Agreement") with the Company dated July 31, 2017. Mr. Lewis's Separation Agreement confirmed that under his previous employment agreement, he will receive as severance pay and severance benefits: (a) cash severance payments equal to one-year of his then-current base salary (which at the time of his separation was \$725,000), paid over a 12 month period; and (b) the vesting of all of his unvested stock options granted in 2015 and 2016. The Separation Agreement also confirms the provisions of Mr. Lewis's employment agreement with regard to the treatment of stock options granted prior to 2011. For stock options granted prior to 2011, vested options may be exercised by Mr. Lewis until the earlier to occur of: (i) the date that is one year after the effective date of Mr. Lewis's termination of employment, and (ii) the expiration date of the option, and to the extent they are not so exercised, they shall terminate upon such earlier date. If Mr. Lewis dies during the period described in the preceding sentence, vested options may thereafter be exercised by Mr. Lewis's legal representative until the earlier to occur of: (i) the date that is one year after the effective date of Mr. Lewis's termination of employment, and (ii) the expiration date, and to the extent the options are not so exercised, they shall terminate upon such earlier date. In addition, Mr. Lewis was entitled to receive a pro rata portion of any annual bonus paid for the Company's achievement of 2017 annual incentive plan targets. The Company did not achieve the 2017 annual incentive plan targets and therefore no bonus was paid.

Michael Coyne, Julie Younglove-Webb and Matthew Revord. Effective July 18, 2017, Mr. Coyne entered into a Letter Agreement with the Company which provided that, for the duration of his tenure as interim chief executive officer, the Company agreed to pay him an additional compensation of \$25,000 per calendar month (\$12,500 for any calendar month for which he provides services as interim chief executive officer for 14 days or less). This additional compensation was in addition to Mr. Coyne's base salary, which remained unchanged. The additional compensation was not treated as base salary, bonus or other compensation for purposes of his employment agreement.

On July 17, 2017, with the authorization of the Compensation Committee of the Company's Board of Directors, the Company entered into retention agreements with each of Mr. Coyne, Ms. Younglove-Webb and Mr. Revord. Subject to the restrictions set forth in the retention agreements, each of Mr. Coyne, Ms. Younglove-Webb and Mr. Revord will be eligible to receive a cash retention award in an amount equal to \$444,375, \$382,500, and \$416,250, respectively, in the event he or she remains continuously employed with the Company through December 31, 2018. The retention payment is payable only if the executive (1) remains employed in good standing through the retention date, or is terminated by the Company other than for cause (as defined in the Retention Agreements); and (2) delivers a valid and irrevocable release and waiver in form provided by the Company. The retention payment will be payable to the relevant executive in one lump sum payment made sixty days following the earlier of (i) the executive's termination date (as defined in the Retention Agreement) or (ii) December 31, 2018. For

EXECUTIVE AND DIRECTOR COMPENSATION

information regarding the retention payments under the Retention Agreements, see “—Potential Payments Upon Termination of Employment or a Corporate Transaction/Change in Control—Michael Coyne, Julie Younglove-Webb and Matthew Revord Retention Agreements,” on page 36 of this Proxy Statement.

Mr. Coyne and Ms. Younglove-Webb each entered into an employment agreement with the Company effective as of May 1, 2015. Mr. Revord entered into a new employment agreement effective as of July 25, 2013 and amended effective April 22, 2015. Pursuant to their employment agreements, Mr. Coyne serves as our Senior Vice President and Chief Financial Officer, Ms. Younglove-Webb serves as our Senior Vice President, Operations and Mr. Revord serves as our Senior Vice President, General Counsel and Secretary. Mr. Revord has since been appointed as Chief Legal Officer. Mr. Coyne’s agreement provides for a base salary of \$375,000, Ms. Younglove-Webb’s agreement provides for a base salary of \$315,000 and Mr. Revord’s agreement provides for a base salary of \$310,000. The salaries may be increased from time to time by the Compensation Committee at the recommendation of our Chief Executive Officer. The employment agreements for Mr. Coyne and for Ms. Younglove-Webb provides that the respective executive is eligible for an annual target bonus of 60% of base salary. The employment agreement for Mr. Revord provides that he shall be eligible for an annual bonus amount to be determined in accordance with incentive plan metrics recommended by the CEO and approved by the Compensation Committee. For 2017, Mr. Revord was eligible for an annual target bonus of 60% of base salary. For the current bonus year, the annual bonus amount and terms and conditions for each of these executives are determined in accordance with incentive plan metrics recommended by our CEO and approved by the Compensation Committee. The Compensation Committee determined that for fiscal year 2017 the incentive plan metrics applicable to our executive officers would be the Company’s total company revenue and adjusted EBITDA (where adjusted EBITDA represents net income (loss) before depreciation and amortization expense, interest expense, provision for income taxes and pre-opening costs, adjusted to eliminate the impact of other items, including certain non-cash as well as certain other items that we do not consider representative of our on-going operating performance). Further, for Mr. Coyne, Ms. Younglove-Webb and Mr. Revord, as executive officers, the metrics for fiscal year 2017 were weighted as follows: (a) 50%—total company revenue; and (b) 50%—adjusted EBITDA. The employment agreements also provide the executives with standard benefits and perquisites and a minimum of four weeks of paid time off for Mr. Coyne and Ms. Younglove-Webb, and five weeks of paid time off for Mr. Revord. The employment agreements contemplate that the executives may be granted equity awards under our equity incentive plans.

Mr. Coyne, Ms. Younglove-Webb and Mr. Revord each continue to be parties to a confidentiality, noncompetition, noninterference and intellectual property agreement, with the noncompetition and noninterference covenants lasting for one year after termination of employment.

Equity Awards

Equity awards represent an important component of our executive compensation. We believe long-term incentive awards align the interests of our shareholders and our executives by increasing the proprietary interest of our executives in the Company’s growth and success; advance the Company’s interests by attracting and retaining qualified employees; and motivate our executives to act in the long-term best interests of our shareholders. Long-term incentive awards are issued under our Amended and Restated 2013 Long-Term Incentive Plan (the “[2013 Long-Term Incentive Plan](#)”), which replaced the Potbelly Corporation 2004 Incentive Plan (provided that awards under the 2004 Incentive Plan will continue to be subject to the terms of the 2004 Incentive Plan). The 2013 Long-Term Incentive Plan provides for grants of options (including nonqualified stock options and incentive stock options), stock appreciation rights, and full value awards. The 2013 Long-Term Incentive Plan is administered by the Compensation Committee. Under our Insider Trading Policy, our directors and executive officers are prohibited from engaging in short sales or investing in other kinds of hedging transactions or financial instruments that are designed to hedge or offset any decrease in the market value of our securities.

The equity compensation for Mr. Johnson is determined by the Board of Directors (other than Mr. Johnson) upon the recommendation of the Compensation Committee. Mr. Johnson received a grant of 200,401 stock options and 78,125 restricted stock units in November of 2017 in connection with the signing of his employment agreement. Under the terms of his employment agreement, Mr. Johnson is not eligible to receive equity compensation as part of the Company’s annual incentive compensation program until calendar year 2019.

The equity compensation for our named executive officers (other than Mr. Johnson) is determined by the Compensation Committee upon the recommendation of the CEO. In addition, in 2017, the Compensation Committee engaged Aon Hewitt to perform a review of executive equity compensation. After considering the recommendations made by Aon Hewitt, in May 2017 the Compensation Committee granted Mr. Coyne 45,476 stock options and 18,100 full value awards; granted Ms. Younglove-Webb 44,339 stock options and 17,647 full value awards; and granted Mr. Revord 34,107 stock options and 13,575 full value awards in recognition of their respective individual performance during the 2016 fiscal year.

Non-Equity Incentive Awards

Support Center Annual Incentive Plan. The Company has established the Support Center Annual Incentive Plan to provide annual non-equity incentive compensation to executives. Consistent with the program design for fiscal year 2016, fiscal year 2017 incentives for executive officers were earned based on the following metrics and weighting: (a) 50%—total company revenue; and (b) 50%—adjusted EBITDA (where adjusted EBITDA represents net income (loss) before depreciation and amortization expense, interest expense, provision for income taxes and pre-opening costs, adjusted to eliminate the impact of other items, including certain non-cash as well as certain other items that we do not consider representative of our on-going operating performance). This plan sets a threshold, target, and maximum level for each of these metrics applicable to all executive officers, and the amounts paid are based on the actual figures achieved by the Company. For fiscal year 2017, all executive officers utilized the same metrics and weightings. The targets are set for the year by the Compensation Committee based on recommendations from the CEO and the CFO and are communicated to executives at the beginning of each year. To be eligible for an award under the plan, the executive must receive an annual individual performance appraisal rating of “Contributor” or higher. For fiscal year 2017, the threshold level for these metrics was not achieved. Accordingly, no annual cash incentive awards were paid to the named executive officers under the Support Center Annual Incentive Plan for fiscal 2017 performance.

The chart below sets forth the threshold, target, and maximum percentages of base salary for awards under the Support Center Annual Incentive Plan in 2017, together with the percentage of actual or weighted salary received, based on actual Company results:

Named Executive Officer	Threshold	Target	Maximum	Percent of Actual or Weighted Average Salary Received

EXECUTIVE AND DIRECTOR COMPENSATION

Potential Payments Upon Termination of Employment or a Corporate Transaction/Change in Control

Each of our named executive officers serves at the pleasure of our Board of Directors. Our employment agreements with the named executive officers include provisions requiring us to make post-termination payments upon certain qualifying termination events. Mr. Lewis entered into a separation and general release agreement with us in connection with the termination of his employment. In addition, Mr. Coyne, Ms. Younglove-Webb, and Mr. Revord have retention agreements with us. The disclosure below describes certain compensation that may become payable as a result of a qualifying termination of employment, based on the employment agreement in effect for each executive on December 31, 2017 and the retention agreements in effect with respect to Mr. Coyne, Ms. Younglove-Webb, and Mr. Revord. In addition, the following disclosure describes the impact of a qualifying termination of employment, a corporate transaction or a change in control under the terms of the equity awards held by each of our named executive officers as of December 31, 2017 and modifications to such awards pursuant to the employment agreements. These benefits are in lieu of benefits generally available to salaried employees.

Alan Johnson Employment Agreement. The Johnson Agreement provides for severance pay and benefits if Mr. Johnson is terminated in a qualifying termination or if Mr. Johnson's employment is terminated due to death or disability. In the event Mr. Johnson's employment terminates in a qualifying termination prior to a Change in Control, Mr. Johnson is entitled to a cash severance payment equal to 12 months of base salary payable in installments over 12 months; the amount of any annual bonus earned for the most recently completed fiscal year, to the extent it hasn't already been paid; and a payment equal to the amount of the annual bonus that Mr. Johnson would have received for the year in which the termination occurs pro-rated through the date of termination and based on actual performance for the year of termination; and subsidized COBRA benefits for 12 months, all subject to a release. In the event Mr. Johnson's employment terminates in a qualifying termination on or within 12 months after a Change in Control, Mr. Johnson is entitled to a lump sum payment equal to 18 months of base salary plus his target annual bonus for the year in which the termination date occurs; any annual bonus earned with respect to the most recently completed fiscal year; subsidized COBRA benefits for 12 months; and all equity awards shall vest and shall be exercisable. Payments and benefits in connection with a Change in Control are not subject to a release. If termination occurs due to death or disability, Mr. Johnson will receive any accrued amounts otherwise owed.

Aylwin Lewis Separation and General Release Agreement. Mr. Lewis's Separation Agreement confirmed that under his previous employment agreement he will receive as severance pay and severance benefits: (a) cash severance payments equal to one-year of his base salary (\$725,000), paid over a 12-month period; and (b) the vesting of all of his unvested stock options granted in 2015 and 2016. The Separation Agreement also confirms the provisions of Mr. Lewis's employment agreement with regard to the treatment of stock options granted prior to 2011. For stock options granted prior to 2011, vested options may be exercised by Mr. Lewis until the earlier to occur of: (i) the date that is one year after the effective date of Mr. Lewis's termination of employment, and (ii) the expiration date of the option, and to the extent they are not so exercised, they shall terminate upon such earlier date. If Mr. Lewis dies during the period described in the preceding sentence, vested options may thereafter be exercised by Mr. Lewis's legal representative until the earlier to occur of: (i) the date that is one year after the effective date of Mr. Lewis's termination of employment, and (ii) the expiration date, and to the extent the options are not so exercised, they shall terminate upon such earlier date. In addition, Mr. Lewis was entitled to receive a pro rata portion of any annual bonus paid for the Company's achievement of 2017 annual incentive plan targets. The Company did not achieve the 2017 annual incentive plan targets and therefore no bonus was paid.

Michael Coyne, Julie Younglove-Webb, and Matthew Revord Retention Agreements. The retention agreements for Mr. Coyne, Ms. Younglove-Webb and Mr. Revord provide for the payment of a cash retention award to Mr. Coyne, Ms. Younglove-Webb and Mr. Revord in an amount equal to \$444,375; \$382,500 and \$416,250, respectively, in the event he or she remains continuously employed with the Company through the retention date December 31, 2018. The retention payment is payable only if the executive (1) remains employed in good standing through the retention date, or is terminated other than for cause (as defined in the retention agreements); and (2) delivers a valid and irrevocable release and waiver in form provided by the Company. The retention payment will be payable to the relevant executive in one lump sum payment made sixty days following the earlier of (i) the executive's termination of employment by the Company other than for cause or (ii) December 31, 2018. In addition, if the executive's termination is due to death or disability and occurs prior to the retention date and on or after the six month anniversary of the retention agreement's effective date, the executive shall be entitled to the retention payment. If the executive's termination is due to death or disability and occurs prior to the retention date but prior to the six month anniversary of the effective date of the retention agreement, the executive shall be entitled to a pro rata portion of the retention payment.

Michael Coyne, Julie Younglove-Webb and Matthew Revord Employment Agreements. The employment agreements for Mr. Coyne, Ms. Younglove-Webb and Mr. Revord provide for severance pay and benefits if the executive is terminated in a qualifying termination or if the executive's employment is terminated due to death or disability. In the event the executive's employment terminates in a qualifying termination prior to a Change in Control, the executive is entitled to a cash severance

payment equal to 12 months of base salary payable in installments over 12 months and subsidized COBRA benefits for 12 months, all subject to a release. In the event the executive's employment terminates in a qualifying termination on or within 12 months after a Change in Control, the executive is entitled to the same severance payments and benefits described above and a payment equal to the amount of the annual bonus that the executive would have received for the year in which the termination occurs pro-rated through the date of termination and based on actual performance for the year of termination (the "Pro-rated Bonus"). Payments and benefits in connection with a Change in Control are not subject to a release. If termination occurs due to death or disability, in addition to any accrued amounts otherwise owed to the executive, the executive will receive the Pro-rated Bonus, subject to a release. The employment agreements for Mr. Coyne, Ms. Younglove-Webb and Mr. Revord generally define "cause" as the executive's (i) intentional misrepresentation of material information, (ii) felony indictment, (iii) commission of an act involving moral turpitude, (iv) material breach or material default of written obligations that remain unremedied for 30 days after notice, (v) fraud, (vi) embezzlement, (vii) failure to comply with our Board of Director's written lawful direction that remains unremedied for 30 days after notice, or (viii) willful action to harm the Company or its affiliates. Their employment agreements generally define "good reason" as (1) reduction in base salary or target or maximum bonus percentages, (2) material reduction in position, authority, office, responsibilities or duties, (3) material breach of the agreement by us, or (4) relocation to a place more than 50 miles from Chicago, in each case without the executive's consent.

Options Granted Prior to 2011. Options granted to our named executive officers prior to 2011 generally contain the following termination and change in control provisions:

- If an executive's employment with the Company terminates for any reason other than cause, disability or death, vested options may thereafter be exercised by the executive until the earlier to occur of: (i) the date that is 90 days after the effective date of the executive's termination of employment, and (ii) the expiration date of the option, and to the extent the options are not so exercised, they shall terminate upon such earlier date. If the executive dies following a termination for other than cause during the period described in the preceding sentence, vested options may thereafter be exercised by the executive's legal representative until the earlier to occur of: (i) the date that is one year after the effective date of the executive's termination of employment, and (ii) the expiration date, and to the extent the options are not so exercised, they shall terminate upon such earlier date.
- If an executive's employment with the Company terminates by reason of disability or death, vested options may thereafter be exercised by the executive or the executive's legal representative until the earlier to occur of: (i) the date that is one year after the effective date of the executive's termination of employment, and (ii) the expiration date, and to the extent the options are not so exercised, they shall terminate upon such earlier date.
- If an executive is terminated for cause or the executive breaches a covenant in an agreement with the Company, the options automatically terminate.
- In the event of a Corporate Transaction, the Board of Directors may take action such as (i) providing for the options to be assumed, or equivalent options to be substituted, by the acquiring company; (ii) providing for termination of vested but unexercised options unless exercised prior to the transaction; (iii) providing for receipt by the executive of a cash payment based on the difference between the transaction price and the exercise price; and/or (iv) providing for accelerated vesting prior to the transaction and termination following such transaction.

Other Plans

Our named executive officers are eligible to participate in our 401(k) plan. The Company matches 50% of the contributions that our employees, including our named executive officers, make to the 401(k) plan, with a maximum matching contribution of \$3,000 per year.

The Company established in fiscal 2014 a non-qualified deferred compensation plan which allows highly compensated employees to defer a portion of their base salary and variable compensation each plan year. The Company matches 50% of the contributions that our highly-compensated employees, including our named executive officers, make to the deferred compensation plan, with a maximum matching contribution of \$3,000 per year. If an employee participates in both the 401(k) plan and the non-qualified deferred compensation plan, the total maximum matching contribution is \$3,000 per year.

Director Compensation Plan. Our Board of Directors approved a director compensation plan pursuant to the Potbelly Corporation 2013 Long-Term Incentive Plan. Under the director compensation plan in effect for 2017, each non-employee Director who was a member of the Board of Directors as of the 2017 Annual Meeting of Shareholders was eligible to receive \$135,000 in annual compensation. Each non-employee Director may elect between the following forms of payment for his or her annual compensation: (1) the non-employee Director receives RSUs having a grant date Fair Market Value of \$135,000 (with a grant date on or before the end of the respective second fiscal quarter); or (2) the non-employee Director receives: (a) \$60,000 in cash (half of which will be paid on before the end of the respective second fiscal quarter and half of which will be paid on or before the end of the respective fiscal year); plus (b) RSUs having a grant date Fair Market Value of \$75,000 (with a grant date on or before the end of the respective second fiscal quarter).

In August of 2017, the Board of Directors revised the director compensation plan. Prior to the revision, the Lead Director received an additional \$20,000 retainer, the Audit Committee Chair received an additional \$15,000 retainer, and the Compensation Committee Chair received an additional \$7,500 retainer. The revised director compensation plan eliminated the additional retainer for Lead Director and instituted an additional \$80,000 retainer for the non-executive Chairman of the Board and an additional \$7,500 retainer for the Nominating of Corporate Governance Committee Chair. The non-executive Chairman of the Board, the Lead Director (if applicable), the Audit Committee Chair, the Compensation Committee Chair and the Nominating and Corporate Governance Committee Chair may each elect between the following forms of payment for such additional retainer: (1) RSUs having a grant date Fair Market Value equal to such additional retainer amount (with a grant date on or before the end of the respective second fiscal quarter); or (2) Cash in an amount equal to one-half such additional retainer amount (half of which will be paid on before the end of the respective second fiscal quarter and half of which will be paid on or before the end of the respective fiscal year); plus RSUs having a grant date Fair Market Value of half of such additional retainer amount (with a grant date on or before the end of the respective second fiscal quarter).

RSUs shall vest as follows: fifty percent (50%) on the first anniversary of the grant date, and fifty percent (50%) on the second anniversary of the grant date.

The Board expects that all executive officers own, or acquire within the later of (i) August of 2022, and (ii) five years of first becoming an executive officer, shares of Potbelly common stock (including restricted shares, but not options, under Potbelly's equity-linked incentive plans) having a market value of a multiple of such executive officer's annual base salary. For the Chief Executive Officer, the multiple shall be four (4) times annual base salary and for all other executive officers the multiple shall be one and one-half (1.5) times annual base salary.

Based solely on a review of the copies of such forms furnished to the Company and on written representations from our officers and directors, we believe that during 2017 all Section 16(a) filing requirements were complied with on a timely basis.

In addition, our Bylaws provide that any shareholder who desires to bring a proposal before an annual meeting, or to nominate persons for election as directors, must give timely written notice of the proposal to the Company's Secretary. To be timely, the notice must be delivered to the above address not less than 90 nor more than 120 calendar days prior to the first anniversary of the date on which the Company held the preceding year's annual meeting. Accordingly, to be timely, a notice must be received no earlier than January 24, 2019 and no later than February 23, 2019 (assuming the meeting is held not more than 30 days before or more than 60 days after May 24, 2019). The notice must describe the shareholder proposal in reasonable detail and provide certain other information required by our Bylaws.

Form 10-K and Other Filings

Upon written request and at no charge, we will provide a copy of any of our filings with the SEC, including our Annual Report on Form 10-K, with financial statements and schedules for our most recent fiscal year. We may impose a reasonable fee for expenses associated with providing copies of separate exhibits to the report when such exhibits are requested. These documents are also available on our website at <http://investors.potbelly.com/financial-information/sec-filings>, and the website of the SEC at www.sec.gov.

Householding

SEC rules allow delivery of a single annual report and proxy materials to households at which two or more shareholders reside, unless the affected shareholder has provided contrary instructions. Accordingly, shareholders sharing an address who have been previously notified by their broker or its intermediary will receive only one set of the annual report and other proxy materials, unless the shareholder has provided contrary instructions. Individual proxy cards or voting instruction forms (or electronic voting facilities), as applicable, will, however, continue to be provided for each shareholder account. This procedure, referred to as "householding," reduces the volume of duplicate information received by shareholders, as well as our expenses. Shareholders having multiple accounts may have received householding notifications from their respective brokers and, consequently, such shareholders may receive only one set of the annual report and other proxy materials. Upon written or oral request, Potbelly Corporation will promptly deliver a separate set of our annual report and proxy materials to any beneficial owner at a shared address to which a single copy of any of those documents was delivered. To receive a separate set of our annual report and proxy materials, you may write or call Potbelly Corporation at Potbelly Corporation, 111 North Canal Street, Suite 850, Chicago, Illinois 60606, Attention: Corporate Secretary, telephone (312) 951-0600. Shareholders currently sharing an address with another shareholder who wish to have only one set of our annual report and other proxy materials delivered to the household in the future should also contact our corporate secretary.

Except as otherwise agreed by the Company and the Participant, or except as otherwise provided in the Plan, an Award under the Plan shall not affect any previous Award under the Plan or an award under any other plan maintained by the Company or any of the Related Companies. No Eligible Person or other person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Eligible Persons, or holders or beneficiaries of Awards, or of multiple Awards granted to an Eligible Person. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Eligible Person (whether or not such Eligible Persons are similarly situated).

2. SHARES RESERVED AND LIMITATIONS

2.1 Shares Available and Other Amounts Subject to the Plan. The shares of Common Stock for which Awards may be granted under the Plan shall be subject to the following:

- (a) Shares of Common Stock with respect to which Awards may be made under the Plan shall be currently authorized but unissued shares of Common Stock or currently held or subsequently acquired by the Company as treasury shares (or a combination thereof), including shares purchased in the open market or in private transactions.
- (b) Subject to the provisions of subsection 2.2, the number of shares of Common Stock which may be issued with respect to Awards under the Plan shall be equal to 3,500,000. Except as otherwise provided herein, any shares of Common Stock subject to an outstanding Award under the Plan which, for any reason is forfeited, expires or is terminated without issuance of shares of Common Stock (including Awards that are settled in cash, collectively, "Recycled Shares"), shall thereafter again be available for issuance under the Plan. Recycled Shares shall be added back to the number of shares of Common Stock reserved for issuance under the Plan on a one for one basis; provided, however, that Recycled Shares attributable to any Full Value Award granted under the Plan on or after the Approval Date shall be added back on a two for one basis.
- (c) Shares of Common Stock covered by an Award shall only be counted as used to the extent that they are actually used. A share of Common Stock issued in connection with any Award under the Plan shall reduce the total number of shares of Common Stock available for issuance under the Plan by one; provided, however, that shares issued in connection with Full Value Awards granted under the Plan on and after the Approval Date shall reduce the total number of shares of Common Stock available for issuance under the Plan by a ratio of 2:1.
- (d) Notwithstanding any other provision of the Plan, following shares of Common Stock may not again be made available for issuance under the Plan pursuant to this subsection 2.1: (i) shares of Common Stock not issued or delivered as a result of the net settlement of an outstanding Award; (ii) shares delivered to or withheld by the Company to pay the Exercise Price of an Option or SAR or to pay the withholding taxes with respect to an Award; or (iii) shares of Common Stock repurchased on the open market with the proceeds of the Exercise Price of an Option.
- (e) Except as expressly provided by the terms of this Plan, the issue by the Company of stock of any class, or securities convertible into shares of stock of any class, for cash or property or for labor or services, either upon direct sale, upon the exercise of rights or warrants to subscribe therefor or upon conversion of stock or obligations of the Company convertible into such stock or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, Awards then outstanding hereunder.

APPENDIX A

- (f) To the extent provided by the Committee, any Award may be settled in cash rather than in Common Stock.
- (g) Substitute Awards shall not reduce the number of shares of Common Stock that may be issued under the Plan or that may be covered by Awards granted to any one Participant during any period pursuant to subsections 2.1(i) and 2.1(j).
- (h) Subject to the terms and conditions of the Plan, the maximum number of shares of Common Stock that may be delivered to or on behalf of Participants under the Plan with respect to Incentive Stock Options shall be 2,500,000; provided, however, that to the extent that shares not delivered must be counted against this limit as a condition of satisfying the rules applicable to Incentive Stock Options, such rules shall apply to the limit on Incentive Stock Options granted under the Plan.
- (i) The maximum number of shares of Common Stock that may be covered by Awards granted to any one Participant during any one calendar-year period pursuant to Section 3 (relating to Options and SARs) shall be 400,000 shares. For purposes of this subsection 2.1(i), if an Option is in tandem with an SAR, such that the exercise of the Option or SAR with respect to a share of Common Stock cancels the tandem SAR or Option right, respectively, with respect to such share, the tandem Option and SAR rights with respect to each share of Common Stock shall be counted as covering only one share of Common Stock for purposes of applying the limitations of this subsection 2.1(i).
- (j) For Full Value Awards that are intended to be performance-based compensation (within the meaning of section 162(m) of the Code), no more than 400,000 shares of Common Stock may be delivered pursuant to such Awards granted to any one Participant during any one calendar-year period (regardless of whether settlement of the Award is to occur prior to, at the time of, or after the time of vesting); provided that Awards described in this 2.1(j) shall be subject to the following:
 - (i) If the Awards are denominated in Common Stock but an equivalent amount of cash is delivered in lieu of delivery of shares of Common Stock, the foregoing limit shall be applied based on the methodology used by the Committee to convert the number of shares of Common Stock into cash.
 - (ii) If delivery of Common Stock or cash is deferred until after the Common Stock has been earned, any adjustment in the amount delivered to reflect actual or deemed investment experience after the date the Common Stock is earned shall be disregarded.

2.2 Adjustments to Shares of Common Stock. In the event of a stock dividend, stock split, reverse stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, exchange of shares, sale of assets or subsidiaries, combination, or other corporate transaction that affects the Common Stock such that the Committee determines, in its sole discretion, that an adjustment is warranted in order to preserve the benefits or prevent the enlargement of benefits of Awards under the Plan, the Committee shall, in the manner it determines equitable in its sole discretion, (a) adjust the number and kind of shares which may be delivered under the Plan (including adjustments to the number and kind of shares that may be granted to an individual during any specified time as described in subsection 2.1); (b) adjust the number and kind of shares subject to outstanding Awards; (c) adjust the Exercise Price of outstanding Options and SARs; and (d) make any other adjustments that the Committee determines to be equitable (which may include, without limitation, (i) replacement of Awards with other awards which the Committee determines have comparable value and which are based on stock of a company resulting from the transaction, and (ii) cancellation of the Award in return for cash payment of the current value of the Award, determined as though the Award is fully vested at the time of payment, provided that in the case of an Option or SAR, the amount of such payment may be the excess of value of the shares of Common Stock subject to the Option or SAR at the time of the transaction over the exercise price).

2.3 Change in Control. In the event that (a) a Participant is employed or otherwise in service on the date of a Change in Control and the Participant's employment or service, as applicable, is terminated by the Company or the successor to the Company (or a Related Company which is his or her employer) for reasons other than Cause within 24 months following the Change in Control, or (b) the Plan is terminated by the Company or its successor following a Change in Control without provision for the assumption, continuation or substitution of outstanding Awards hereunder, all Options, SARs and related Awards which have not otherwise expired shall become immediately exercisable and all other Awards shall become fully vested; provided, however, that all Awards with conditions and restrictions relating to the attainment of performance goals shall become vested assuming the higher of (A) achievement of all relevant performance goals at the target level of performance (pro rated based upon the length of time within the performance period that has elapsed prior to the Change in Control) or (B) actual achievement of the performance goals as of the date of the Change in Control. For purposes of this subsection 2.3, a Participant's employment or service shall be deemed to be terminated by the Company or the successor to the Company (or a Related Company) if the Participant terminates employment or service after (i) a substantial adverse alteration in the nature of the Participant's status or responsibilities from those in effect immediately prior to the Change in Control, or (ii) a material reduction in the Participant's annual base salary and target bonus, if any, or, in the case of a Participant who is an Outside Director, the Participant's annual compensation, as in effect immediately prior to the Change in Control. If, upon a Change in Control, awards in other shares or securities are substituted for

outstanding Awards pursuant to subsection 2.2, and immediately following the Change in Control the Participant becomes employed by (if the Participant was an employee immediately prior to the Change in Control) or a board member of (if the Participant was an Outside Director immediately prior to the Change in Control) the entity into which the Company merged, or the purchaser of substantially all of the assets of the Company, or a successor to such entity or purchaser, the Participant shall not be treated as having terminated employment or service for purposes of this subsection 2.3 until such time as the Participant terminates employment or service with the merged entity or purchaser (or successor), as applicable.

2.4 Limits Applicable to Non-Employee Directors. Notwithstanding any other provision of the Plan to the contrary, the aggregate value of all Awards granted under the Plan to any Outside Director for any calendar year shall not exceed (a) \$300,00 in total value or (b) in the event such Outside Director is first appointed or elected to the Board in such calendar year, \$400,000 in total value. For purposes of the foregoing limitation, the value of an Award shall be its grant date fair value, as determined in accordance with ASC 718 or successor provision but excluding the impact of estimated forfeitures related to service-based vesting conditions.

3. STOCK OPTIONS AND STOCK APPRECIATION RIGHTS

3.1 Options and SARs. The Committee shall designate the Participants to whom Options or SARs are to be granted under this Section 3 and shall determine the number of shares of Common Stock subject to each such Option or SAR and the other terms and conditions thereof, not inconsistent with the Plan. Without limiting the generality of the foregoing, the Committee may not grant dividend equivalents (current or deferred) with respect to any Option or SAR granted under the Plan. An Option will be deemed to be a Non-Qualified Option unless it is specifically designated by the Committee as an Incentive Stock Option.

3.2 Exercise Price. The "Exercise Price" of each Option and SAR granted under this Section 3 shall be established by the Committee at the time the Option or SAR is granted; provided, however, that in no event shall such price be less than 100% of the Fair Market Value of a share of Common Stock on the date of grant (or, if greater, the par value of a share of Common Stock).

3.3 Limits on Incentive Stock Options. If the Committee grants Incentive Stock Options, then to the extent that the aggregate fair market value of shares of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any individual during any calendar year (under all plans of the Company and all Subsidiaries) exceeds \$100,000, such Options shall be treated as Non-Qualified Stock Options to the extent required by section 422 of the Code. Any Option that is intended to constitute an Incentive Stock Option shall satisfy any other requirements of section 422 of the Code and, to the extent such Option does not satisfy such requirements, the Option shall be treated as a Non-Qualified Stock Option.

3.4 Term and Exercisability. Except as otherwise expressly provided in the Plan, an Option or SAR granted under the Plan shall be exercisable in accordance with the following:

- (a) The terms and conditions relating to exercise and vesting of an Option or SAR shall be established by the Committee to the extent not inconsistent with the Plan, and may include, without limitation, conditions relating to completion of a specified period of service, achievement of performance standards prior to exercise or the achievement of Common Stock ownership guidelines by the Participant.
- (b) No Option or SAR may be exercised by a Participant prior to the date on which it is exercisable (or vested) or after the Expiration Date applicable thereto. In no event shall an Option or SAR expire later than the tenth anniversary of the grant date of such Option or SAR.

3.5 Payment of Exercise Price. The payment of the Exercise Price of an Option granted under this Section 3 shall be subject to the following:

- (a) Subject to the following provisions of this subsection 3.5, the full Exercise Price of each share of Common Stock purchased upon the exercise of any Option shall be paid at the time of such exercise (except that, in the case of an exercise through the use of cash equivalents (including broker-assisted cashless exercise), payment may be made as soon as practicable after the exercise) and, as soon as practicable thereafter, a certificate representing the shares of Common Stock so purchased shall be delivered to the person entitled thereto or shares of Common Stock so purchased or such shares of Common Stock shall otherwise be registered in the name of the Participant on the records of the Company's transfer agent and credited to the Participant's account.
- (b) Subject to applicable law, the Exercise Price shall be payable in cash or cash equivalents (including broker-assisted cashless exercise), by tendering, by actual delivery or by attestation (including by means of a net exercise), shares of Common Stock valued at Fair Market Value as of the day of exercise or by a combination thereof; provided, however, that shares of Common Stock may not be used to pay any portion of the Exercise Price unless the holder thereof has good title, free and clear of all liens and encumbrances.

APPENDIX A

3.6 Post-Exercise Limitations. The Committee, in its discretion, may impose such restrictions on shares of Common Stock acquired pursuant to the exercise of an Option as it determines to be desirable, including, without limitation, restrictions relating to disposition of the shares and forfeiture restrictions based on service, performance, Common Stock ownership by the Participant, conformity with the Company's recoupment or clawback policies as in effect from time to time, compliance with restrictive covenants, and such other factors as the Committee determines to be appropriate.

3.7 No Repricing. Except for either adjustments pursuant to subsection 2.2 of the Plan (relating to the adjustment of shares), or reductions of the exercise price approved by the Company's stockholders, the exercise price for any outstanding Option or SAR may not be decreased after the date of grant nor may an outstanding Option or SAR granted under the Plan be surrendered to the Company as consideration for the grant of a replacement Option or SAR with a lower exercise price or a Full Value Award. Except as approved by the Company's stockholders, in no event shall any Option or SAR granted under the Plan be surrendered to the Company in consideration for a cash payment if, at the time of such surrender, the exercise price of the Option or SAR is greater than the then current Fair Market Value of a share of Common Stock. In addition, no repricing of an Option shall be permitted without the approval of the Company's stockholders if such approval is required under the rules of any stock exchange on which the Common Stock is listed.

3.8 Tandem Common Stock Options and SARs. A Option may but need not be in tandem with an SAR, and an SAR may but need not be in tandem with an Option (in either case, regardless of whether the original award was granted under this Plan or another plan or arrangement). If an Option is in tandem with an SAR, the exercise price of both the Option and SAR shall be the same, and the exercise of the Option or SAR with respect to a share of Common Stock shall cancel the corresponding tandem SAR or Option right with respect to such share. If an SAR is in tandem with an Option but is granted after the grant of the Option, or if an Option is in tandem with an SAR but is granted after the grant of the SAR, the later granted tandem Award shall have the same exercise price as the earlier granted Award, but the exercise price for the later granted Award may not be less than the Fair Market Value of the Common Stock at the time of such grant.

3.9 Expiration Date. The "Expiration Date" with respect to an Option or SAR means the date established as the Expiration Date by the Committee at the time of the grant (as the same may be modified in accordance with the terms of the Plan); provided, however, that the Expiration Date with respect to any Option or SAR shall not be later than the earliest to occur of the ten-year anniversary of the date on which the Option or SAR is granted or the following dates, unless the following dates are determined otherwise by the Committee:

- (a) if the Participant's Termination Date occurs by reason of death or Disability, the one-year anniversary of such Termination Date;
- (b) if the Participant's Termination Date occurs for reasons other than death or Disability or Cause, the three-month anniversary of such Termination Date; or
- (c) if the Participant's Termination Date occurs for Cause, the day preceding the Termination Date.

In no event shall the Expiration Date of an Option or SAR be later than the ten-year anniversary of the date on which the Option or SAR is granted (or such shorter period required by law or the rules of any stock exchange on which the Common Stock is listed).

4. FULL VALUE AWARDS

A "Full Value Award" is a grant of one or more shares of Common Stock or a right to receive one or more shares of Common Stock in the future (including restricted stock, restricted stock units, deferred stock units, performance stock and performance stock units). Such grants may be subject to one or more of the following, as determined by the Committee:

- (a) The grant may be in consideration of a Participant's previously performed services or surrender of other compensation that may be due.
- (b) The grant may be contingent on the achievement of performance or other objectives (including completion of service) during a specified period.
- (c) The grant may be subject to a risk of forfeiture or other restrictions that will lapse upon the achievement of one or more goals relating to completion of service by the Participant or achievement of performance or other objectives.

The grant of Full Value Awards may also be subject to such other conditions, restrictions and contingencies, as determined by the Committee, including provisions relating to dividend or dividend equivalent rights and deferred payment or settlement, conformity with the Company's recoupment or clawback policies as in effect from time to time, compliance with restrictive covenants, and such other factors as the Committee determines to be appropriate. Notwithstanding the foregoing, no dividends or dividend equivalent rights will be paid or settled on Full Value Awards that have not otherwise been earned or vested.

5. COMMITTEE

5.1 Administration. The authority to control and manage the operation and administration of the Plan shall be vested in the committee described in subsection 5.2 (the "Committee") in accordance with this Section 5. If the Committee does not exist, or for any other reason determined by the Board, the Board may take any action under the Plan that would otherwise be the responsibility of the Committee.

5.2 Selection of Committee. So long as the Company is subject to Section 16 of the Exchange Act, the Committee shall be selected by the Board and shall consist of not fewer than two members of the Board or such greater number as may be required for compliance with Rule 16b-3 issued under the Exchange Act and shall be comprised of persons who are independent for purposes of applicable stock exchange listing requirements. Notwithstanding any other provision of the Plan to the contrary, with respect to any Awards to Outside Directors, the Committee shall be the Board.

5.3 Powers of Committee. The authority to manage and control the operation and administration of the Plan shall be vested in the Committee, subject to the following:

- (a) Subject to the provisions of the Plan, the Committee will have the authority and discretion to (i) select Eligible Persons who will receive Awards under the Plan, (ii) determine the time or times of receipt of Awards, (iii) determine the types of Awards and the number of shares of Common Stock covered by the Awards, (iv) establish the terms, conditions, performance targets, restrictions, and other provisions of Awards, (v) modify the terms of, cancel or suspend Awards, (vi) reissue or repurchase Awards, and (vii) accelerate the exercisability or vesting of any Award. In making such Award determinations, the Committee may take into account the nature of services rendered by the respective employee, the individual's present and potential contribution to the Company's or a Related Company's success and such other factors as the Committee deems relevant.
- (b) Subject to the provisions of the Plan, the Committee will have the authority and discretion to conclusively interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, to determine the terms and provisions of any agreements made pursuant to the Plan and to make all other determinations that may be necessary or advisable for the administration of the Plan.
- (c) Any interpretation of the Plan by the Committee and any decision made by it under the Plan is final and binding on all persons.
- (d) Except as otherwise expressly provided in the Plan, where the Committee is authorized to make a determination with respect to any Award, such determination shall be made at the time the Award is made, except that the Committee may reserve the authority to have such determination made by the Committee in the future (but only if such reservation is made at the time the Award is granted, is expressly stated in the Agreement reflecting the Award and is permitted by applicable law).

Without limiting the generality of the foregoing, it is the intention of the Company that, to the extent that any provisions of this Plan or any Awards granted hereunder are subject to section 409A of the Code, the Plan and the Awards comply with the requirements of section 409A of the Code and that the Plan and Awards be administered in accordance with such requirements and the Committee shall have the authority to amend any outstanding Awards to conform to the requirements of section 409A.

5.4 Delegation by Committee. Except to the extent prohibited by applicable law or the rules of any stock exchange on which the Common Stock is listed, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it. Any such allocation or delegation may be revoked by the Committee at any time.

5.5 Information to be Furnished to Committee. The Company and the Related Companies shall furnish the Committee such data and information as may be required for it to discharge its duties. The records of the Company and the Related Companies as to an employee's or Participant's employment or provision of services, termination of employment or cessation of the provision of services, leave of absence, reemployment and compensation shall be conclusive on all persons unless determined to be incorrect. Participants and other persons entitled to benefits under the Plan must furnish the Committee such evidence, data or information as the Committee considers desirable to carry out the terms of the Plan.

5.6 Liability and Indemnification of Committee. No member or authorized delegate of the Committee shall be liable to any person for any action taken or omitted in connection with the administration of the Plan unless attributable to his own fraud or willful misconduct; nor shall the Company or any Related Company be liable to any person for any such action unless attributable to fraud or willful misconduct on the part of a director or employee of the Company or Related Company. The Committee, the individual members thereof, and persons acting as the authorized delegates of the Committee under the Plan, shall be indemnified by the Company against any and all liabilities, losses, costs and expenses (including legal fees and expenses) of

APPENDIX A

whatsoever kind and nature which may be imposed on, incurred by or asserted against the Committee or its members or authorized delegates by reason of the performance of a Committee function if the Committee or its members or authorized delegates did not act dishonestly or in willful violation of the law or regulation under which such liability, loss, cost or expense arises. This indemnification shall not duplicate but may supplement any coverage available under any applicable insurance.

5.7 Special Vesting Rules. Except for (a) Awards granted under the Plan with respect to shares of Common Stock which do not exceed, in the aggregate, five percent of the total number of shares of Common Stock reserved for issuance pursuant to subsection 2.1, (b) Awards granted in lieu of other compensation, or (c) Awards that are a form of payment of earned performance awards or other incentive compensation provided that the performance period relating to such performance or incentive awards was at least one year, if a Participant's right to become vested in an Award is conditioned on the completion of a specified period of service with the Company or any Related Company Subsidiaries being required, then the required period of service shall be at least one (1) year, except if accelerated in the event of the participant's death or Disability, or involuntary termination.

6. MISCELLANEOUS

6.1 Effective Date and Term. This Plan, as amended and restated, shall be effective as of the date that it is approved by the Board (the "Effective Date"); provided, however, that no Awards shall be granted under the Plan, as amended and restated, prior to the Approval Date. The Plan shall be unlimited in duration and, in the event of Plan termination, shall remain in effect as long as any shares of Common Stock awarded under it are outstanding and not fully vested; provided, however, that no new Awards will be made under the Plan on or after the tenth anniversary of the Effective Date. Any Awards granted under the Plan prior to the Approval Date shall be subject to the terms and conditions of the Plan as in effect prior to the Approval Date.

6.2 Limit on Distribution. Distribution of Common Stock or other amounts under the Plan shall be subject to the following:

- (a) Notwithstanding any other provision of the Plan, the Company shall have no liability to deliver any Common Stock under the Plan or make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity.
- (b) In the case of a Participant who is subject to Section 16(a) and 16(b) of the Exchange Act, the Committee may, at any time, add such conditions and limitations to any Award to such Participant, or any feature of any such Award, as the Committee, in its sole discretion, deems necessary or desirable to comply with Section 16(a) or 16(b) and the rules and regulations thereunder or to obtain any exemption therefrom.
- (c) To the extent that the Plan provides for issuance of certificates to reflect the transfer of Common Stock, the transfer of such Common Stock may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange on which the Common Stock is listed.

6.3 Liability for Cash Payments. Subject to the provisions of this Section 6, each Related Company shall be liable for payment of cash due under the Plan with respect to any Participant to the extent that such payment is attributable to the services rendered for that Related Company by the Participant. Any disputes relating to liability of a Related Company for cash payments shall be resolved by the Committee.

6.4 Withholding. All Awards and other payments under the Plan are subject to withholding of all applicable taxes, which withholding obligations may be satisfied, with the consent of the Committee, through the surrender of Common Stock which the Participant already owns or to which a Participant is otherwise entitled under the Plan; provided, however, previously-owned Common Stock that has been held by the Participant or Common Stock to which the Participant is entitled under the Plan may only be used to satisfy the minimum tax withholding required by applicable law (or other rates that will not have a negative accounting impact).

6.5 Transferability. Awards under the Plan are not transferable except as designated by the Participant by will or by the laws of descent and distribution or, unless otherwise provided by the Committee, pursuant to a qualified domestic relations order (within the meaning of the Code and applicable rules thereunder). To the extent that the Participant who receives an Award under the Plan has the right to exercise such Award, the Award may be exercised during the lifetime of the Participant only by the Participant. Notwithstanding the foregoing provisions of this subsection 6.5, unless otherwise provided by the Committee, Awards may be transferred to or for the benefit of the Participant's family (including, without limitation, to a trust or partnership for the benefit of a Participant's family), subject to such procedures as the Committee may establish. In no event shall an Incentive Stock Option be transferable to the extent that such transferability would violate the requirements applicable to such option under section 422 of the Code.

6.6 Notices. Any notice or document required to be filed with the Committee under the Plan will be properly filed if delivered or mailed by registered mail, postage prepaid, to the Committee, in care of the Company or the Related Company, as applicable, at

its principal executive offices. The Committee may, by advance written notice to affected persons, revise such notice procedure from time to time. Any notice required under the Plan (other than a notice of election) may be waived by the person entitled to notice.

6.7 Form and Time of Elections. Unless otherwise specified herein, each election required or permitted to be made by any Participant or other person entitled to benefits under the Plan, and any permitted modification or revocation thereof, shall be in writing filed with the applicable Committee at such times, in such form, and subject to such restrictions and limitations, not inconsistent with the terms of the Plan, as the Committee shall require.

6.8 Agreement With the Company or Related Company. At the time of an Award to a Participant under the Plan, the Committee may require a Participant to enter into an agreement with the Company or the Related Company, as applicable (the "Agreement"), in a form specified by the Committee, agreeing to the terms and conditions of the Plan and to such additional terms and conditions, not inconsistent with the Plan, as the Committee may, in its sole discretion, prescribe.

6.9 Limitation of Implied Rights.

(a) Neither a Participant nor any other person shall, by reason of the Plan, acquire any right in or title to any assets, funds or property of the Company or any Related Company whatsoever, including, without limitation, any specific funds, assets, or other property which the Company or any Related Company, in its sole discretion, may set aside in anticipation of a liability under the Plan. A Participant shall have only a contractual right to the amounts, if any, payable under the Plan, unsecured by any assets of the Company and any Related Company. Nothing contained in the Plan shall constitute a guarantee by the Company or any Related Company that the assets of such companies shall be sufficient to pay any benefits to any person.

(b) The Plan does not constitute a contract of employment or continued service, and selection as a Participant will not give any employee the right to be retained in the employ or service of the Company or any Related Company, nor any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the terms of the Plan. Except as otherwise provided in the Plan, no Award under the Plan shall confer upon the holder thereof any right as a stockholder of the Company prior to the date on which he fulfills all service requirements and other conditions for receipt of such rights and shares of Common Stock are registered in his name.

6.10 Evidence. Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information which the person acting on it considers pertinent and reliable, and signed, made or presented by the proper party or parties.

6.11 Action by the Company or Related Company. Any action required or permitted to be taken by the Company or any Related Company shall be by resolution of its board of directors or governing body or by action of one or more members of the board or governing body (including a committee of the board or governing body) who are duly authorized to act for the board or, in the case of any Related Company which is a partnership, by action of its general partner or a person or persons authorized by the general partner, or (except to the extent prohibited by applicable law or the rules of any stock exchange on which the Common Stock is listed) by a duly authorized officer of the Company.

6.12 Gender and Number. Where the context admits, words in any gender shall include any other gender, words in the singular shall include the plural and the plural shall include the singular.

6.13 Applicable Law. The provisions of the Plan shall be construed in accordance with the laws of the State of Delaware, without giving effect to choice of law principles.

6.14 Foreign Employees. Notwithstanding any other provision of the Plan to the contrary, the Committee may grant Awards to eligible persons who are foreign nationals on such terms and conditions different from those specified in the Plan as may, in the judgment of the Committee, be necessary or desirable to foster and promote achievement of the purposes of the Plan. In furtherance of such purposes, the Committee may make such modifications, amendments, procedures and subplans as may be necessary or advisable to comply with provisions of laws in other countries or jurisdictions in which the Company or a Related Company operates or has employees. The foregoing provisions of this subsection 6.14 shall not be applied to increase the share limitations of Section 2 or to otherwise change any provision of the Plan that would otherwise require the approval of the Company's stockholders.

6.15 Recoupment/Forfeiture. Notwithstanding any other provision of the Plan or any Award Agreement to the contrary, unless otherwise specified by the Committee, any Awards under the Plan and any shares of Common Stock or cash issued pursuant to the Plan shall be subject to the Company's compensation recovery, clawback, and recoupment policies as in effect from time to time.

7. AMENDMENT AND TERMINATION.

The Board may, at any time, amend or terminate the Plan, and the Board or the Committee may amend any Award Agreement, provided that no amendment or termination may, in the absence of written consent to the change by the affected Participant (or,

APPENDIX A

if the Participant is not then living, the affected beneficiary), adversely affect the rights of any Participant or beneficiary under any Award granted under the Plan prior to the date such amendment is adopted by the Board (or the Committee, if applicable); and further provided that adjustments pursuant to subsection 2.2 shall not be subject to the foregoing limitations of this Section 7; and further provided that the provisions of subsection 3.7 (relating to Option and SAR repricing) cannot be amended unless the amendment is approved by the Company's stockholders; and provided further that, no other amendment shall be made to the Plan without the approval of the Company's stockholders if such approval is required by law or the rules of any stock exchange on which the Common Stock is listed. It is the intention of the Company that, to the extent that any provisions of this Plan or any Awards granted hereunder are subject to section 409A of the Code, the Plan and the Awards comply with the requirements of section 409A of the Code and that the Board shall have the authority to amend the Plan as it deems necessary to conform to section 409A. Notwithstanding the foregoing, the Company does not guarantee that Awards under the Plan will comply with section 409A and the Committee is under no obligation to make any changes to any Award to cause such compliance.
